Amendment to HB 1550

1 Amend the bill by replacing section 1 with the following:

2

3 1 Electric Utilities; Annual Disclosure of Electric Service Energy Sources and Environmental
4 Characteristics; Renewable Energy Standards; Billing. RSA 378:49, II(c) is repealed and reenacted
5 to read as follows:

6 (c) Provide such information to electric customers at least annually in conjunction with
7 billing, whether distributed through the mail or online, or other mailed or online communication to
8 customers, as approved by the commission, as to the estimated cost to that customer for compliance
9 with the electric renewable portfolio standard under RSA 362-F. The estimated total cost for the
10 calendar year shall be calculated once per year and provided to each customer in his or her
11 December bill, whether distributed through the mail or online. Each customer's bill shall also
12 provide a link to information about the electric renewable portfolio standard at the public utilities
13 commission's website. The costs for a utility to provide this information shall be recovered by
14 reducing its purchase of renewable energy certificates and/or reducing its payments to the
15 renewable energy fund to the extent needed to cover its costs.

Amendment to HB 1550

AMENDED ANALYSIS

This bill requires providers of electricity to include on customers' December bills the annual cost to each customer of compliance with the electric renewable portfolio standard under RSA 362-F and a link to information about the electric renewable portfolio standard.
