Floor Amendment to HB 1550

1 Amend the bill by replacing section 1 with the following:

2

3 1 Electric Utilities; Annual Disclosure of Electric Service Energy Sources and Environmental
4 Characteristics; Renewable Energy Standards; Billing. RSA 378:49, II(c) is repealed and reenacted
5 to read as follows:

6 (c) Provide such information to electric customers at least annually in conjunction with
7 billing, whether distributed through the mail or online, or other mailed or online communication to
8 customers, as approved by the commission, including the commission's estimated cost on a per
9 kilowatt-hour basis for compliance with the electric renewable portfolio standard under RSA 362-F.
10 The estimated cost for the calendar year shall be calculated once per year and provided in the
11 customer's December bill, whether distributed through the mail or online. Each customer's bill
12 shall identify the cost as an estimate and provide a link to information about the electric renewable
13 portfolio standard, including its benefits, at the public utilities commission's website. The costs for
14 a utility to provide this information shall be recovered from electric customers through the
15 distribution rates of the respective electric distribution utility.
