

1 Committee of Conference Report on HB 1761, relative to the math learning communities program in
2 secondary schools.

3
4 Recommendation:

5
6 That the House recede from its position of nonconcurrence with the Senate amendment, and
7 concur with the Senate amendment, and

8 That the Senate and House adopt the following new amendment to the bill as amended by the
9 Senate, and pass the bill as so amended:

10
11 Amend RSA 193-I:2, I as inserted by section 2 of the bill by replacing it with the following:

12
13 I. Eligible students shall have completed or be near completion of algebra I. The
14 department shall encourage every public high school in the state to administer the Next-Generation
15 Acuplacer QAS exam to students who may benefit from this program as recommended by a school
16 teacher or guidance counselor and a parent in the spring of grade 10. Students who score less than
17 63 and who have the recommendation of a teacher or guidance counselor and a parent may be
18 assigned to course I, advanced math foundations. Students who score 63 or above shall be
19 considered for either algebra II or course II, quantitative reasoning.
