

Amendment to SB 240

1 Amend RSA 141-H:2, IV as inserted by section 1 of the bill by replacing it with the following:

2
3 IV. Nothing in this section shall be construed to regulate or apply to genetic testing or
4 genetic analysis used for diagnosis and treatment of a patient by a clinical laboratory that has
5 received a specimen referral from the individual patient's treating physician, genetic counselor, or
6 another clinical laboratory. Nothing in this section shall be construed so as to waive the
7 requirement that the treating physician obtain specific informed consent in accordance with the
8 provisions of this section. ***This section shall not prohibit the disclosure of genetic testing or***
9 ***genetic analysis to entities participating in processes related to either clinical care of the***
10 ***patient, including, but not limited to, evaluating potential clinical care options, or to***
11 ***clinical research.***
