Amendment to HB 484

1 Amend the bill by replacing section 1 with the following:

2

3 1 Construction or Renovation of Regional Career and Technical Education Centers. Amend RSA
4 188-E:3, II to read as follows:

5 II. Upon completion, the constructed or renovated facility shall become the property of the
6 school district or public academy, for use by the career and technical education center exclusively,
7 ***provided that if space within the facility has been used by the career and technical***
8 ***education center exclusively for at least 20 years such space may be repurposed by the***
9 ***district at no cost.*** Provision of the site, parking, and other related areas shall be the
10 responsibility of the local community. Site work, including but not limited to cut and fill work,
11 compaction, demolition, relocation of utilities, relocation of roadways and sidewalks, and similar
12 work within an area extending to one foot beyond the outside edge of the exterior walls of the
13 building, shall be eligible for grants under paragraph I. Nothing shall prohibit the inclusion of the
14 site and related facilities which are not funded as part of construction cost by the state under this
15 chapter from being included in a regular building aid grant application of the district as provided in
16 RSA 198:15-b. However, no school district which receives any funding under this chapter shall be
17 eligible to receive school building aid grants under RSA 198:15-b for the same project. Maintenance,
18 repair, and upkeep of the constructed or renovated facility, including all classroom and laboratory
19 spaces, shall be the responsibility of the school district or public academy, as the case may be.
