Amendment to SB 232

1 Amend the bill by replacing section 1 with the following:

2

3 1 New Subparagraph; Net Energy Metering. Amend RSA 362-A:9, XVI by inserting after  
4 subparagraph (c) the following new subparagraph:

5 (d) Renewable energy generators participating in ISO-NE electricity markets, including  
6 energy, capacity, or ancillary services markets, as of January 1, 2025, shall not be required to  
7 withdraw or delist from these markets or change their status as market participants as a condition  
8 or requirement to be a customer-generator or qualify as eligible for net metering tariffs. To be  
9 eligible for net metering tariffs, renewable energy generators in ISO-NE electricity markets shall  
10 transfer market revenues associated with any energy, capacity, and ancillary services entitlements,  
11 along with any associated revenues and proceeds, to the interconnected electric distribution utility  
12 throughout the term of participation as a customer-generator.

13

14 Amend the bill by deleting section 2 and renumbering the original sections 3 and 4 to read as 2 and  
15 3.

2025-1602h

AMENDED ANALYSIS

This bill allows renewable energy generators in ISO-NE electricity markets to retain their market participant status while qualifying for net metering tariffs and clarifies metering practices for customer-generators.
