6 I. In a town that has adopted this section, the total amount raised and appropriated for the  
7 fiscal year, including the operating budget and all other warrant articles with a tax impact, as shown  
8 on the budget certified by the select board or the budget committee and posted with the warrant for  
9 the annual meeting pursuant to RSA 32:5, shall not exceed the current per resident expenditure, as  
10 defined in subparagraph (a), times the current town population, as defined in subparagraph (b),  
11 times (1+ IF), where IF is an amount for an annual increase for inflation.

12 (a) The first year after the budget cap is adopted, the current per resident expenditure  
13 shall be the per resident expenditure adopted in the warrant article under RSA 32:5-h, IV. In  
14 subsequent years, the current per resident expenditure shall be the previous year's current per  
15 resident expenditure times (1+IFP), where IFP is the previous year's IF.

16 (b) The current town population shall be the most recent figure calculated by the  
17 department of business and economic affairs, office of planning and development, pursuant to RSA  
18 78-A:25, I.

19 II. The annual increase for inflation (IF) shall be either a fixed percentage, annual

24 III. The legislative body may override the budget cap by the usual procedures applicable to  
25 annual town meetings of the legislative body, provided that when a proposed appropriation will  
26 cause the total amount raised and appropriated to exceed the budget cap or the total amount already  
27 raised and appropriated has exceeded the budget cap, voting on the appropriation question shall be  
28 by ballot, but the question shall not be placed on the official ballot used to elect officers, except in the  
29 case of a legislative body that uses an official ballot form of meeting under RSA 40:13 or under a  
30 charter adopted pursuant to RSA 49-D. If a 3/5 majority, or the supermajority as determined under  
31 a charter pursuant to RSA 49-D, of those voting on the question vote "yes," the appropriation is

2 majority or the supermajority as determined under a charter pursuant to RSA 49-D.

3 IV. When using the official ballot form of meeting under RSA 40:13, if the warrant article for

6 to remain compliant with the budget cap.

7 32:5-h Adoption of Town Budget Cap.

10 the question shall be required to adopt the provisions of RSA 32:5-g. Only votes in the affirmative or  
11 negative shall be included in the calculation of the 3/5 majority.

12 II. The question shall be placed on the warrant of the annual or special meeting by the select

14 III. A public hearing shall be held by the select board on the question at least 15 days, but  
15 not more than 30 days, before the question is to be voted on. Notice of the hearing shall be posted in  
16 at least 2 public places in the town, and published in a local newspaper of general circulation at least  
17 7 days prior to the date of the hearing.

18 IV. If, under RSA 32:5-g, II, a fixed percentage is used for the annual increase for inflation,  
19 the wording of the question shall be:

20 "Shall we adopt the provisions of RSA 32:5-g, and implement a budget cap whereby the select board  
21 (or budget committee) shall not submit a recommended budget that is higher than \_\_\_\_ dollars per  
22 resident expenditure times the current town population plus a \_\_\_\_ percent annual increase for  
23 inflation. Requires a 3/5ths majority of the town."

24 Alternatively, if an annual inflation index is used, the wording of the question shall be:

25 "Shall we adopt the provisions of RSA 32:5-g, and implement a budget cap whereby the select board  
26 (or budget committee) shall not submit a recommended budget that is higher than \_\_\_\_ dollars per  
27 resident expenditure times the current town population plus an annual increase for inflation using  
28 (the index) published by (the United States Bureau of Labor Statistics or American City and County)  
29 as of October 1. Requires a 3/5ths majority of the town."

30 V. The question shall not be subject to amendment by the legislative body. Voting on the  
31 question shall be by ballot, but the question shall not be placed on the official ballot used to elect  
32 officers, except in the case of a legislative body that uses an official ballot form of meeting under RSA  
33 40:13 or under a charter adopted pursuant to RSA 49-D. Polls shall remain open and ballots shall be  
34 accepted by the moderator for a period of not less than one hour following the completion of  
35 discussion on the question. If a 3/5 majority of those voting on the question vote "yes," RSA 32:5-g  
36 shall apply within the town beginning with the following fiscal year and for all subsequent years  
37 until it is changed as provided in paragraph VI or rescinded as provided in paragraph VII.
