Floor Amendment to HB 718

1 Amend the bill by inserting after section 1 the following and renumbering the original section 2 to
2 read as 3:

3

4 2 New Paragraphs; Session Law 2023, Chapter 109. Amend RSA 2023, 109 by inserting after
5 paragraph X the following new paragraphs:

6 XI. Session law 2023, Chapter 190, authorized the creation of the Bridgewater-Hebron
7 Groton Special Purpose School District. The district was created by vote of the 3 towns at their 2024
8 annual meetings and the first operating budget for the new school district was adopted at the March
9 2025 annual meeting for the district, which is now known as the Pasquaney School District.

10 XII. Notwithstanding the provisions of RSA 76:15-a and any other provision of law, the
11 Pasquaney School District and its member towns are hereby granted an exception to the
12 requirement that the July 1 taxes by the member towns be limited to the prior year's tax assessed
13 valuation times 1/2 of the previous year's tax rate in setting the tax assessment for the Pasquaney
14 School District. Instead, for the 2025 partial payment tax bill, each of the member towns may apply
15 to the commissioner of revenue administration to adjust the 1/2 of the previous year's local school tax
16 rate by an amount sufficient to collect 1/2 of their individual responsibility of the net assessment as
17 calculated on the school district's 2025 MS-26. The department of revenue administration shall
18 expedite the adjusted rate applications.

19 XIII. The member towns and the Pasquaney School District are hereby granted such relief
20 from the limitations and deadlines set forth in RSA 76:15-a as is necessary to effectuate paragraph
21 XII.
