

Amendment to HB 1742

1 Amend the title of the bill by replacing it with the following:

2

3 AN ACT relative to customer-generators inadvertently enrolled in a municipal or county  
4 aggregation program.

5

6 Amend the bill by replacing all after the enacting clause with the following:

7

8 1 New Paragraph; Limited Electrical Energy Producers Act; Net Energy Metering. Amend RSA  
9 362-A:9 by inserting after paragraph XXIII the following new paragraph:

10 XXIV.(a) A customer-generator that is inadvertently enrolled in a municipal or county  
11 aggregation program adopted and operating under RSA 53-E by error or without the customer-  
12 generator's consent, if required, may request that the customer-generator's electric distribution  
13 utility re-enroll the customer-generator in the utility's default energy service.

14 (b) Upon receipt of the customer-generator's petition, the electric distribution utility  
15 shall:

16 (1) Investigate the customer-generator's enrollment status within 20 business days;

17 (2) If such inadvertent enrollment is confirmed, restore the customer to default  
18 service as of the start of the next billing cycle, provided that the final determination is made within 2  
19 business days prior to the start of that billing cycle; and

20 (3) Retroactively apply net metering credits for exported kilowatt-hours for a period  
21 of up to 4 monthly billing cycles prior to the effective re-enrollment date, with such credits based on  
22 the applicable net metering tariff in effect during the period of inadvertent dis-enrollment from  
23 utility default energy service. Any credits from energy exported more than 3 months prior to the  
24 customer notifying the utility shall not be recoverable from the utility.

25 (c) Retroactive credits issued by the utility under this paragraph shall be recoverable  
26 from all customers consistent with recovery of the utility's net metering expenses.

27 2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows a customer-generator that is inadvertently enrolled in a municipal or county aggregation program to request that the electric distribution utility re-enroll the customer-generator in the utility's default energy service.
