METHODOLOGY:

This bill requires the Adjutant General to provide national guard victims of sexual assault or sexual harassment financial assistance to allow the victim to participate in proceedings related to the assault or harassment. The bill also permits the introduction of military protective orders in proceedings for civil domestic violence protective orders.

The Department of Military Affairs and Veterans Services states the fiscal impact of this bill is indeterminable as they cannot predict the number of victims who will require financial assistance to participate in proceedings related to assault or harassment. The Department does not anticipate a large fiscal impact as instances of sexual assault requiring travel will be rare.

The Judicial Branch indicates this bill would have a fiscal impact of less than \$10,000.
