HOUSE BILL

214-FN

AN ACT relative to the regulation of recreational therapists and respiratory care practitioners.

SPONSORS: Rep. C. McGuire, Merr. 27

COMMITTEE: Executive Departments and Administration

ANALYSIS

This bill clarifies the rulemaking authority of the executive director of the office of professional licensure and certification (OPLC) with regards to the regulation of recreational therapists and respiratory care practitioners and adds sections relating to criminal history records checks and privileged communications to the chapters on the regulation of recreational therapists and respiratory care practitioners to be more consistent with other OPLC-related chapters.

This bill is at the request of the OPLC.

24 2 New Sections; Recreational Therapists; Criminal History Record Checks and Privileged
25 Communications. Amend RSA 326-J by inserting after section 6 the following new sections:

26 326-J:7 Criminal History Record Checks.

27 I. Every applicant for initial licensure shall submit to the office of professional licensure and
28 certification a criminal history record release form, as provided by the New Hampshire division of
29 state police, department of safety, which authorizes the release of his or her criminal history record,
30 if any, to the executive director of the office of professional licensure and certification or its designee

within the office of professional licensure and certification. For the purposes of this section, a designee may be the office's agency counsel, administrative law judge, director of licensing and board administration, licensing service representative, or board administrator.

II. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency, an authorized employee of the office of professional licensure and certification, or an authorized employee of the department of safety. If the first set of fingerprints is invalid due to an insufficient pattern, a second set of fingerprints shall be necessary in order to complete the criminal history records check. If, after 2 attempts, a set of fingerprints is invalid due to an insufficient pattern, the office of professional licensure and certification may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where the person has lived during the past 5 years.

III. The office of professional licensure and certification shall submit the criminal history records release form and fingerprint form to the division of state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. Upon completion of the records check, the division of state police shall release copies of the criminal history records to the executive director of the office of professional licensure and certification or its designee within the office of professional licensure and certification. The executive director of the office of professional licensure and certification or its designee within the office of professional licensure and certification shall maintain the confidentiality of all criminal history records information received pursuant to this section.

IV. The applicant shall bear the cost of a criminal history record check.

326-J:8 Privileged Communications.

The confidential communications between licensed recreational therapists and their clients or patients is placed on the same legal basis as those between physician and patient, and except as otherwise provided by law, no recreational therapist shall be required to disclose such privileged communications. Confidential communications between a patient or client and any person working under the supervision of such practitioner that are customary and necessary for diagnosis and treatment are privileged to the same extent as though those communications were with the supervising licensed practitioner. This section shall not apply to investigations and hearings conducted by the office or by any other agency regulating health professions in the state.

3 Respiratory Care Practice; Rulemaking. Amend RSA 326-E:2, VI to read as follows:

VI. ***Specifying the scope of*** respiratory care practice, including rules regarding the ***criteria and*** procedures for granting, revoking, and reinstating a license.

VII. ***Pertaining to the completion by licensees, as part of the renewal process, a survey and opt-out form provided by the office of rural health, the department of health and human services, for the purpose of collecting data regarding the New Hampshire***

1 *primary care workforce, pursuant to the commission established in RSA 126-T, along with*
2 *written notice to licensees of the opportunity to opt-out from participation of the survey.*

3 4 New Sections; Respiratory Care Practice; Criminal History Record Checks and Privileged
4 Communications. Amend RSA 326-E by inserting after section 11 the following new sections:

5 326-E:12 Criminal History Record Checks.

6 I. The office shall require from applicants for initial licensure or certification, reinstatement
7 of licensure or certification, or conditional licensure or certification a criminal history record release
8 form, as provided by the New Hampshire division of state police which authorizes the release of his
9 or her criminal history record, if any, to the office.

10 II. The applicant shall submit with the release form a complete set of fingerprints taken by a
11 qualified law enforcement agency or an authorized employee of the department of safety. In the
12 event that the first set of fingerprints is invalid due to insufficient pattern, a second set of
13 fingerprints shall be necessary in order to complete the criminal history records check. If, after 2
14 attempts, a set of fingerprints is invalid due to insufficient pattern, the office may, in lieu of the
15 criminal history records check, accept police clearances.

16 III. The office shall submit the criminal history records release form and fingerprint form to
17 the division of state police which shall conduct a criminal history records check through its records
18 and through the Federal Bureau of Investigation. Upon completion of the records check, the division
19 of state police shall release copies of the criminal history records to the office.

20 IV. The office shall review the criminal record information prior to, where applicable, the
21 board making a decision on licensure or certification, and shall maintain the confidentiality of all
22 criminal history records received pursuant to this section.

23 V. The applicant shall bear the cost of all criminal history record checks.

24 VI. The office shall accept military security clearance for an individual actively serving in
25 any component of the Department of Defense in lieu of criminal background checks.

26 VII. Pending the results of a criminal history record check, an applicant for licensure may be
27 employed in a profession of the respiratory care field on a conditional basis for up to 90 calendar
28 days before the office receives the results of a criminal history record check required for licensure, if
29 the conditional employee:

30 (a) Is under the direct supervision of a licensee;

31 (b) Has provided a written attestation to the employer and the office that no
32 disqualifying criminal history exists; and

33 (c) The respiratory care practitioners board is not a member of an interstate licensure
34 compact.

35 326-E:13 Privileged Communications.

36 The confidential communications between licensed respiratory care practitioners and their
37 clients or patients is placed on the same legal basis as those between physician and patient, and

- Page 4 -

1 except as otherwise provided by law, no respiratory care practitioner shall be required to disclose
2 such privileged communications. Confidential communications between a patient or client and any
3 person working under the supervision of such practitioner that are customary and necessary for
4 diagnosis and treatment are privileged to the same extent as though those communications were
5 with the supervising licensed practitioner. This section shall not apply to investigations and
6 hearings conducted by the office or by any other agency regulating health professions in the state.
7 5 Effective Date. This act shall take effect 60 days after its passage.
