9 of the department of administrative services or the department of transportation with the approval
10 of governor and council.

11 7 Bonds Authorized.

12 I. To provide funds for the total of the appropriations of state funds made in sections 1 and 2
13 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not
14 exceeding the sum of \$165,852,895 and for said purposes may issue bonds and notes in the names
15 and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The
16 source of funds are as follows: General Fund \$132,470,945, Highway Funds \$10,000,000, and Other
17 Funds \$23,381,950.

18 8 Payments.

19 I. The payment of principal and interest on bonds and notes issued for the projects in section
20 1 shall be made when due from the general fund of the state.

21 II. The payment of principal and interest on bonds issued for the projects in:

22 (a) The highway fund portion of the appropriations made in section 2 shall be made from
23 the highway fund and the general fund portion from the general fund.

24 (b) The fish and game fund portion of the appropriations made in paragraph V of section
25 1 shall be made from the fish and game fund.

26 9 Powers of Governor and Council. The governor and council are hereby authorized and
27 empowered:

28 I. To cooperate with and enter into such agreements with the federal government, or any
29 agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

30 II. To accept any federal funds which are, or become available for any project under sections
31 1 and 2 beyond the estimated amounts. The net appropriation of state funds for any project for
32 which such additional federal funds are accepted shall be reduced by the amount of such additional
33 funds, and the amount of bonding authorized by section 7 shall be reduced by the same amount.

34 10 Transfers. The individual project appropriations provided in sections 1 and 2 of this act shall
35 not be transferred or expended for any other purposes; provided that if there is a balance remaining
36 after an individual project, which is fully funded by state funds, is completed, accepted, and final
37 payment made, said balance or any part thereof may be transferred by governor and council, to any

1 other individual project or projects, which are also fully funded by state funds, within the same
2 section and from the same funding source, provided that prior approval of the capital project
3 overview committee is obtained.

4 11 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds
5 for any project provided for by sections 1 and 2 is determined on the basis of an estimate of
6 anticipated federal, local, or other funds, and if the amount of such funds actually received or
7 available is less than said estimate, then the total authorized cost for such projects and the net
8 appropriation of state funds thereof shall be reduced by the same proportion as the proportion by
9 which federal, local, or other funds are reduced. The amount of bonding authorized by section 7
10 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this
11 section.

12 12 Division of Public Works Design and Construction Inspection Services; Davis-Bacon Act
13 Compliance. The appropriations for those projects which are managed by the division of public
14 works design and construction, Department of Administrative Services, may be expended to fund
15 temporary personnel for the purpose of providing construction inspection services and Davis-Bacon
16 Act Compliance services for projects utilizing federal funds, for those projects included in this act.
