STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Five

AN ACT relative to the reductions from the default budget for official ballot town meetings.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 1 Use of Official Ballot; Definition of Default Budget. RSA 40:13, IX(b) is repealed and
2 reenacted to read as follows:

3 (b) "Default budget" as used in this subdivision means the amount of the same
4 appropriations as contained in the operating budget authorized for the previous year, reduced and
5 increased, as the case may be, by debt service, contracts, and other obligations previously incurred
6 by law or mandated by law, and reduced by one-time expenditures contained in the operating
7 budget, by salaries and benefits of positions that have been eliminated in the proposed budget, by
8 salaries and benefits of positions that were vacant before the previous year's budget was approved
9 and have remained vacant, and reflecting the actual salary and benefits of filled positions as of the
10 public hearing for the proposed budget excluding any increases subsequent to the authorization of
11 the previous year's operating budget. For the purposes of this paragraph, one-time expenditures
12 shall be appropriations not likely to recur in the succeeding budget, and eliminated positions shall
13 not include vacant positions under recruitment unless vacant before the previous year's approved
14 budget was approved, as determined by the governing body of the local political subdivision, unless
15 the provisions of RSA 40:14-b are adopted. Any budget line item in the operating budget authorized
16 for the previous year from which a transfer was made for any one-time expenditures shall be reduced
17 by the amount of the transfer in the default budget. In calculating the default budget amount, the
18 governing body, or the budget committee if the provisions of RSA 40:14-b are adopted, shall follow
19 the statutory formula which may result in a higher or lower amount than the proposed operating
20 budget.

21 2 Use of Official Ballot; Default Budget Disclosure; One-Time Expenditures. Amend RSA 40:13,
22 XI(a)(3) to read as follows:

23 (3) One-time expenditures, ***including reductions to line items for transfers***
24 ***made for one-time expenditures***, as defined under subparagraph IX(b); and

25 3 Effective Date. This act shall take effect January 1, 2026.
