

Floor Amendment to SB 72-FN

1 Amend the title of the bill by replacing it with the following:

2

3 AN ACT establishing a parental bill of rights.

4

5 Amend the bill by replacing all after the enacting clause with the following:

6

7 1 Declaration of Purpose.

8 I. The general court finds and affirms that parents have a fundamental liberty interest to
9 raise and care for their minor children, as well as make decisions concerning their care and custody,
10 and this fundamental liberty interest is protected under both the federal and New Hampshire
11 constitutions.

12 II. The general court further finds that it is a child's parents who have the responsibility,
13 means, and resources to ensure that a child receives appropriate health care, social support,
14 religious guidance, and moral inculcation to develop into happy and productive members of society.

15 III. Accordingly, the general court further finds that parents have the right to access, be
16 notified of, and be provided with all information relating to these rights, and that it is necessary to
17 establish a consistent mechanism for parents to be notified of information relating to the health,
18 well-being, and educational progress of their minor children while those children are in the custody
19 and control of a school.

20 2 New Chapter; Parental Bill of Rights. Amend RSA by inserting after chapter 189-A the
21 following new chapter:

22
