Matter removed from current law appears ~~[in brackets and struckthrough.]~~

Matter which is either (a) all new or (b) repealed and reenacted appears in regular type.

CHAPTER 230
SB 102-FN - FINAL VERSION

25-0919
05/09

STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Five

AN ACT making informational materials regarding type 1 diabetes available on the department of education website.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 230:1 New Section; School Health Services; Informational Materials Regarding Type 1 Diabetes.

2 Amend RSA 200 by inserting after section 40-c the following new section:

3 200:40-d Informational Materials Regarding Type 1 Diabetes.

4 I. The department of education, in consultation with the department of health and human
5 services, shall develop or identify existing informational materials on type 1 diabetes meeting the
6 requirements of paragraph II. The informational materials shall be periodically updated as necessary, and
7 made available to school districts by posting on the department of education's Internet website. Each
8 school district shall make the informational materials from the department's website known or otherwise
9 accessible to the parents or guardians of the students enrolled in the school district, in a manner
10 determined by the school district, including, but not limited to, through the district's website or by other
11 digital means.

12 II. The informational materials may be in the form of links to existing related resources posted to
13 the websites of any entities the department of education deems appropriate, but shall include, at
14 minimum:

- 15 (a) A description of type 1 diabetes;
- 16 (b) A description of risk factors and warning signs associated with type 1 diabetes;
- 17 (c) A recommendation that the parents or guardians of students displaying warning signs
18 associated with type 1 diabetes should consult with the student's primary care provider to determine if
19 screening for type 1 diabetes is appropriate;
- 20 (d) A description of the screening process for type 1 diabetes and the implications of test
21 results; and
- 22 (e) A recommendation that, following a type 1 diagnosis, parents or guardians should consult
23 with the student's primary care provider to develop an appropriate treatment plan.

24 230:2 Effective Date. This act shall take effect upon its passage.

Approved: July 15, 2025
Effective Date: July 15, 2025
