2025-0778s  
05/11

Floor Amendment to SB 102-FN

1 Amend the title of the bill by replacing it with the following:

2

3 AN ACT making informational materials regarding type 1 diabetes and certain communicable  
4 diseases available on the department of education website.

5

6 Amend the bill by replacing all after the enacting clause with the following:

7

8 1 New Section; School Health Services; Informational Materials Regarding Type 1 Diabetes and  
9 Certain Communicable Diseases. Amend RSA 200 by inserting after section 40-c the following new  
10 section:

11 200:40-d Informational Materials Regarding Type 1 Diabetes and Certain Communicable  
12 Diseases.

13 I. The department of education, in consultation with the department of health and human  
14 services, shall develop or identify existing informational materials meeting the requirements of  
15 paragraph II, relative to type 1 diabetes, measles, mumps, rubella, and chickenpox. The  
16 informational materials shall be periodically updated as necessary, and made available to school  
17 districts by posting on the department of education's Internet website. Each school district shall  
18 make the informational materials from the department's website known or otherwise accessible to  
19 the parents or guardians of the students enrolled in the school district, in a manner determined by  
20 the school district, including, but not limited to, through the district's website or by other digital  
21 means.

22 II. The informational materials may be in the form of links to existing related resources  
23 posted to the websites of any entities the department of education deems appropriate, but shall  
24 include, at minimum:

25 (a) A description of type 1 diabetes, measles, mumps, rubella, and chickenpox;

26 (b) A description of risk factors and warning signs associated with type 1 diabetes,  
27 measles, mumps, rubella, and chickenpox;

28 (c) A recommendation that the parents or guardians consider vaccination against  
29 measles, mumps, rubella, and chickenpox;

30 (d) A recommendation that the parents or guardians of students displaying warning  
31 signs associated with type 1 diabetes should consult with the student's primary care provider to  
32 determine if screening for type 1 diabetes is appropriate;

**Floor Amendment to SB 102-FN**  
**- Page 2 -**

1                   (e) A description of the screening process for type 1 diabetes and the implications of test  
2 results; and

3                   (f) A recommendation that, following a type 1 diagnosis, parents or guardians should  
4 consult with the student's primary care provider to develop an appropriate treatment plan.

5                   2 Effective Date. This act shall take effect upon its passage.

2025-0778s

AMENDED ANALYSIS

This bill directs the department of education, in consultation with the department of health and human services, to make informational materials regarding type 1 diabetes, measles, mumps, rubella, and chickenpox available on the department of education's website. The bill also directs local school districts to make the materials available to parents and students.
