

1 Committee of Conference Report on HB 143, relative to the issuance of no trespass orders on  
2 municipal or school district property.

3

4 Recommendation:

5 That the House recede from its position of nonconcurrency with the Senate amendment, and  
6 concur with the Senate amendment, and

7 That the Senate and House adopt the following new amendment to the bill as amended by the  
8 Senate, and pass the bill as so amended:

9

10 Amend the bill by replacing all after the enacting clause with the following:

11

12 1 New Paragraph; Endangering Welfare of a Child; Responsive Generative Communication.  
13 Amend RSA 639:3 by inserting after paragraph III the following new paragraph:

14 III-a.(a) For the purposes of prosecution under this section, an owner or operator of a  
15 computer online service, Internet service, or bulletin board service, including a provider of an  
16 artificial intelligence (AI) chat program, large language model artificial intelligence bot, chat bot,  
17 character AI, or other computer application, the sole purpose of which is to provide responsive open-  
18 ended generative communication through the use of artificial intelligence, commits the offense of  
19 endangering the welfare of a child if the owner or operator knows at the time that they direct the  
20 communication to the child that the communication is made with the intent to facilitate, encourage,  
21 offer, solicit, or recommend that the child imminently engage in:

22

(1) Sexually explicit conduct.

23

(2) The production or participation in the production of a visual depiction of such

24

conduct.

25

(3) The illegal use of drugs or alcohol.

26

(4) Acts of self-harm or suicide.

27

(5) Any crime of violence against another person.

28

(b) This paragraph shall not apply to:

29

(1) A cloud service provider, or a provider of a telecommunications service or an

30

information service, as defined in 47 U.S.C. section 153, with respect to the provision of content

31

created by or supplied on behalf of another person; or

32

(2) Any product, service, website, or application that provides an AI chat program or

33

character that is integral or incidental to a video game, television, streaming, movie, or other similar

34

interactive experience.

1           2 New Section; Enforcement; Responsive Generative Communication with Children. Amend  
2 RSA 507 by inserting after section 8-j the following new section:

3           507:8-k Enforcement Action for Solicitation of Children Through Responsive Generative  
4 Communication.

5           I. Any owner or operator of a computer online service, Internet service, or bulletin board  
6 service, including a provider of an artificial intelligence (AI) chat program, large language model  
7 artificial intelligence bot, chat bot, character AI, or other computer application, the sole purpose of  
8 which is to provide responsive open-ended generative communication through the use of artificial  
9 intelligence, shall be liable to a child, parent of such child, or next friend of such child if the owner or  
10 operator knows at the time that they direct the communication to the child that the communication  
11 is made with the intent to facilitate, encourage, offer, solicit, or recommend that the child  
12 imminently engage in:

13                   (a) Sexually explicit conduct.

14                   (b) The production or participation in the production of a visual depiction of such  
15 conduct.

16                   (c) The illegal use of drugs or alcohol.

17                   (d) Acts of self-harm or suicide.

18                   (e) Any crime of violence against another person.

19           II. The attorney general may bring an action against an owner or operator that violates this  
20 section for damages proximately caused to a child, as provided in paragraph III, or for appropriate  
21 injunctive relief. Prior to initiating such action, the attorney general shall provide the owner or  
22 operator with written notice of each alleged violation and the factual basis thereof, and shall give the  
23 owner or operator 90 days to provide assurances satisfactory to the attorney general that the owner  
24 or operator has cured the violations and has taken adequate steps to prevent future violations. If  
25 such assurances satisfactory to the attorney general are provided, the attorney general shall not  
26 initiate an action against the owner or operator for such violations. The attorney general shall have  
27 the sole right of action for a violation of this section.

28           III. An owner or operator of such service shall be liable to a child, or the parent or next  
29 friend of the child, for damages proximately caused by a violation of paragraph I, but in no instance  
30 liable for an amount less than liquidated damages in the amount of \$1,000 per violation.

31           IV. This section shall not apply to:

32                   (a) A cloud service provider, or a provider of a telecommunications service or an  
33 information service, as defined in 47 U.S.C. section 153, with respect to the provision of content  
34 created by or supplied on behalf of another person; or

35                   (b) Any product, service, website, or application that provides an AI chat program or  
36 character that is integral or incidental to a video game, television, streaming, movie, or other similar  
37 interactive experience.

AMENDED ANALYSIS

This bill criminalizes and creates a private right of action for the facilitation, encouragement, offer, solicitation, or recommendation of certain acts or actions through a responsive generative communication to a child.
