1 approved by the Accreditation Council on Graduate Medical Education, the Canadian Medical
2 Association, or the Royal College of Physicians and Surgeons of Canada.

3 (6) Has successfully passed one of the following sets of examinations:

4 (A) National Board of Medical/Osteopathic Examiners examinations.

5 (B) Federation Licensing Examination (FLEX).

6 (C) United States Medical Licensing Examination (USMLE).

7 (D) Medical Council of Canada Examination (LMCC).

8 II. The office shall waive the examination requirement for any applicant who has
9 satisfactorily passed all examinations and requirements to become board certified by the American
10 Board of Medical Specialties (ABMS) or by the American Osteopathic Association (AOA).

11 2 New Section; Qualifications for License; Licensees Who Have Graduated from Medical Schools
12 Outside the United States or Canada. Amend RSA 329 by inserting after section 12 the following
13 new section:

14 329:12-a Qualifications for Licensees Who Have Graduated from Medical Schools Outside the
15 United States or Canada.

16 I. Applicants for licensure who graduated from medical schools outside the United States or
17 Canada shall:

18 (a) Pay a fee established by the office of professional licensure and certification.

19 (b) Submit an application which shall be verified by oath.

20 (c) Submit a complete set of fingerprints and a criminal history record release form
21 pursuant to RSA 329:11-a.

22 (d) Demonstrate to the reasonable satisfaction of the office that the applicant:

23 (1) Is 21 years of age or older;

24 (2) Is of good professional character;

25 (3) Has completed at least 2 years of college course work or its equivalent;

26 (4) Is an international medical graduate granted a medical doctorate or substantially
27 similar degree by an international medical program of good standing;

28 (5) Is in good standing with the medical licensing or regulatory institution of the
29 individual's licensing country;

30 (6) Has completed a residency, at least 2 years of postgraduate training, or
31 substantially similar postgraduate medical training which is accredited by the equivalent of the
32 Accreditation Council on Graduate Medical Education in the individual's licensing country;

33 (7) Has practiced as a medical professional performing the duties of a physician in
34 the individual's licensing country for no less than 5 years;

35 (8) Has an offer for employment as a physician at a health care provider that
36 operates in this state;

Amendment to SB 457-FN
- Page 3 -

1 (9) Possesses basic fluency in the English language as demonstrated by a passing
2 score on the occupational English test for medicine or other equivalent examination approved by the
3 board; and

4 (10) Has successfully passed one of the following sets of examinations:

5 (A) National Board of Medical/Osteopathic Examiners examinations.

6 (B) Federation Licensing Examination (FLEX).

7 (C) United States Medical Licensing Examination (USMLE).

8 (D) Medical Council of Canada Examination (LMCC).

9 II. The office shall waive the examination requirement for any applicant who has
10 satisfactorily passed all examinations and requirements to become board certified by the American
11 Board of Medical Specialties (ABMS) or by the American Osteopathic Association (AOA).

12 III. In this section:

13 (a) "International medical graduate" means an individual seeking licensure who has
14 practiced medicine as a physician in a country other than the United States or Canada.

15 (b) "International medical program" means a medical school that provides physicians
16 with a medical education or training outside of the United States that is substantially similar to that
17 required to practice as a physician in this state.

18 3 Effective Date. This act shall take effect January 1, 2027.
