

Amendment to HB 1718-FN

1 Amend the bill by replacing section 4 with the following:

2

3 4 New Paragraph; Net Metering. Amend RSA 362-A:9 by inserting after paragraph XXIII the
4 following new paragraph:

5 XXIV. The department may determine terms and conditions for how a customer-generator
6 may use and be compensated for exports to the grid from energy storage added to renewable energy
7 generation sources in conjunction with net metering and related tariff provisions. The department
8 shall require such energy storage, if configured to allow electricity to be exported to the grid, to be
9 charged only from such generation facility, unless charging is under the control of an entity other
10 than the customer-generator or as otherwise authorized by the department in an adjudicated
11 proceeding.
