3 2 Membership and Compensation.

4 I. The members of the committee shall be as follows:

29 ~~all parties with an interest in the dispute shall be notified of the pendency of the proceedings, shall~~
30 ~~have an opportunity to review all information provided to the commissioner, and shall have an~~
31 ~~opportunity to present facts and legal arguments to the commissioner.] **When addressing**
32 **residency issues, the only question the commissioner shall consider is whether the child is a**

METHODOLOGY:

This bill, effective upon passage, allows parents to send their children to public schools outside of their resident district, by making all New Hampshire public schools open enrollment schools. It is not possible to predict how many students may seek to enroll in a school outside their resident district, as allowed by this bill, and therefore it is not possible to predict this bill's impact on state aid programs, or local school district revenues or expenditures.

This bill also establishes a committee to study licensure of outpatient substance use disorder treatment facilities, which will have no fiscal impact.
