22 (c) "Perpetrator" means a person who, following a protective investigation completed in

9 employer.

11 who is on the registry of that fact within 5 business days of receipt of the request from the employer,
12 and the department shall include in the notice the date the person was placed on the registry.

13 IV. A founded report of abuse, neglect, or exploitation, and other information the
14 commissioner deems appropriate, shall be entered on the registry upon[:

15 ~~(a) Expiration of the 10 business day period for appeal when the perpetrator does not~~

18 administrative hearing officer [sustaining] ***or the probate court overturns*** the finding[~~, unless an~~
19 ~~appeal is filed in accordance with paragraph V and an order of stay is issued by the probate court].~~

20 V. If the finding is sustained after an administrative hearing, a perpetrator shall have the
21 right to appeal as follows:

22 (a) A perpetrator may file a petition in the Merrimack county probate court to review the
23 final order by the commissioner, or designee, within 30 days of the date of the final order.
24 Jurisdiction to hear such appeals is vested in the Merrimack county probate court.

25 (b) At the earliest practical time, the court shall review the record as developed before
26 the commissioner, or designee, together with any written legal argument presented to the court.
27 Based on that review, the court may affirm or reverse the decision of the commissioner, or designee,
28 or order that oral argument be held. As justice may require, the court may remand the case to the
29 commissioner, or designee, for further findings or rulings. The petition for appeal shall set forth all
30 the grounds upon which the final order is sought to be overturned. Issues not raised by the
31 appellant before the commissioner, or designee, shall not be raised before the probate court. The
32 burden of proof shall be upon the appellant to show that the decision of the commissioner, or
33 designee, was clearly unreasonable or unlawful, and all findings of the commissioner, or designee,
34 upon all questions of fact properly before him or her shall be deemed to be prima facie lawful and
35 reasonable. The order or decision appealed from shall not be vacated except for errors of law, unless
36 the court is satisfied, by a clear preponderance of the evidence, that the order is unjust or
37 unreasonable.

1 (c) No new or additional evidence shall be introduced in the probate court. The case
2 shall be determined upon the record and evidence transferred, except that in any case, if it shall be
3 necessary in order that no party shall be deprived of any constitutional right, or if the court
4 determines that justice requires the reception of evidence of facts which have occurred since the
5 hearing, or which by reason of accident, mistake, or misfortune could not have been offered before
6 the commissioner, or designee, it shall remand the case to the commissioner, or designee, to receive
7 and consider such additional evidence.

8 VI. If it is determined by the commissioner, or designee, or after a hearing requested
9 pursuant to subparagraph II(c) that a founded report was caused by factors beyond the control of the
10 perpetrator, then the finding shall not be entered onto the registry as founded.

11 VII. All employers of programs which are licensed, certified, or funded by the department to
12 provide services to individuals shall be required before hiring a prospective employee, consultant,
13 contractor, or volunteer who may have contact with individuals to submit his or her name, for review
14 against the registry to determine whether the person is on the registry. The employer shall not hire
15 the prospective employee, consultant, contractor, or volunteer if he or she is listed on the registry
16 unless the employer requests and obtains a waiver from the department to hire such person. The
17 employer, upon receiving notice that a prospective employee, consultant, contractor, or volunteer is
18 on the registry and in order to determine whether to request a waiver from the department, may
19 request permission from the prospective employee, consultant, contractor, or volunteer for the
20 authority to obtain further information about a founded report of abuse, neglect, or exploitation. An
21 employer ~~[may, with the consent of a]~~ **shall be required for any** current employee, consultant,
22 contractor, or volunteer, **to annually** submit his or her name for review against the registry. All
23 employers, upon learning that the name of a current employee, consultant, contractor, or volunteer
24 of their agency is on the registry shall take immediate action to ensure the safety of the individuals
25 in their care. Such action may include, but is not limited to, termination~~[-, training,]~~ **or** re-
26 assignment~~[-, probationary employment, and/or the provision of direct supervision of the employee,~~
27 ~~consultant, contractor, or volunteer when working with individuals].~~ **No employee shall be**
28 **allowed to care for a vulnerable individual if their name is on the registry.**

29 VIII. Any person hiring or employing a paid or volunteer caregiver, consultant, or contractor
30 directly, or through an authorized representative or fiscal intermediary, to provide personal care
31 services, as defined in RSA 161-E or RSA 161-I, may, with the consent of the current or prospective
32 caregiver, consultant, contractor, or volunteer, submit his or her name for review against the
33 registry and, if he or she is on the registry, and with the further permission of the current or
34 prospective caregiver, consultant, contractor, or volunteer, obtain information about any founded
35 report. Any person considering designating another to serve as his or her agent under a power of
36 attorney or any type of durable power of attorney may, with the consent of the proposed agent,

2 in such situations to obtain a waiver prior to hiring a person on the registry.

3 VIII-a. It shall be unlawful for any employer other than those specified under this section to
4 require as a condition of employment that the employee submit his or her name for review against
5 the registry of founded reports of abuse, neglect, or exploitation and any violation of this provision
6 shall be punishable as a violation.

7 IX. Founded reports of abuse, neglect, or exploitation shall be retained on the registry for a
8 period of 7 years subject to the perpetrator's right to petition for the earlier removal of the report
9 from the registry as provided in this section.

10 X. Any perpetrator whose name is listed in the founded reports maintained on the state
11 registry may petition the probate court to have a founded report expunged from the registry as
12 follows:

13 (a) A petition to expunge shall be filed in the probate court where the petitioner resides
14 or where the abuse, neglect, or exploitation occurred.

15 (b) A petition to expunge shall be filed on forms provided by the probate courts. The
16 petition shall include certified copies of the petitioner's criminal record and may include any other
17 information the petitioner deems relevant.

18 (c) When a petition to expunge is filed, the probate court shall require the department to
19 report to the court concerning any additional founded abuse, neglect, or exploitation reports relative
20 to the petitioner and shall require that the petitioner submit the petitioner's name, birth date, and
21 address to the state police to obtain information about criminal convictions. The court may require
22 the department to provide any additional information that the court believes may aid it in making a
23 determination on the petition.

24 (d) Upon the receipt of the department's report, the court may act on the petition
25 without further hearing or may schedule the matter for hearing at the request of either party. If the
26 court determines that the petitioner does not pose a present threat to the safety of individuals and
27 has exhibited best efforts to eliminate the likelihood of reoccurrence of the type of behavior that
28 resulted in his or her entry onto the registry, the court shall grant the petition and order the
29 department to remove the founded report from the registry. Otherwise, the petition shall be denied.

30 XI. The department shall, in the notice it sends out pursuant to RSA 161-F:49, II(a), notify
31 the perpetrator of his or her right to petition to have his or her founded report expunged from the
32 registry. No petition to expunge a founded report shall be brought within one year from the date
33 that the report was initially entered on the registry. If the petition to expunge is denied, no further
34 petition shall be brought more frequently than every 3 years thereafter.

35 XII. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

37 to RSA 161-F:49, VII.

METHODOLOGY:

This bill establishes a developmental services oversight commission tasked with reviewing data and making recommendations to strengthen health and safety outcomes in the developmental services system. The bill establishes a classified position within the Department of Health and Human Services to provide oversight to the commission, and appropriates \$52,000 in FY27 for this purpose.

In addition to establishing an oversight commission, the bill imposes new requirements relative to reports and investigation of adult abuse, and makes revisions to the state registry that maintains records of abuse allegations. The Department states that these provisions may impact costs in a variety of ways. Fatality review reporting and the new seven-day provider notification requirement are expected to have moderate administrative impacts, primarily related to incident screening, intake, and coordination. Based on an estimated screening time of approximately 20–30 minutes per incident and an estimated volume of 100–200 reports per month, the additional workload is projected to be approximately 600–1,200 staff hours annually, or roughly 0.5–1.0 full-time equivalent positions (FTE), which the Department notes may initially be manageable within existing resources.

Other provisions, such as those expanding registry eligibility beyond caregivers, requiring annual employer registry checks, and removing the waiting period before registry placement, may significantly increase the number of administrative reviews and appeals, resulting in corresponding increases in administrative hearings and legal review. The magnitude of this increase is indeterminable.

The Department assumes that the position established by the bill will cost \$104,000 in FY27, \$109,000 in FY28, and \$114,000 in FY29. Of this, approximately half is expected to be funded with federal funds, so the \$52,000 general fund appropriation in FY27 is sufficient to finance the state share in FY27. The Department assumes that the various other changes contained in the bill will necessitate IT modifications costing \$200,000 in FY26, as well as a part-time paralegal position to support the additional registry appeals resulting from expanded eligibility registry. This position is projected to cost \$24,000 in FY27, \$52,000 in FY28, and \$26,000 in FY29. Both the IT costs and the paralegal position are expected to be fully generally funded.
