STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Five

AN ACT relative to background checks for licensed dietitians and adopting the dietitian licensure compact.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 1 New Sections; Licensed Dietitians. Amend RSA 326-H by inserting after section 12-a the
2 following new sections:

3 326-H:12-b Criminal History Record Checks.

4 I. Every applicant for initial licensure shall submit to the office of professional licensure and
5 certification a criminal history record release form, as provided by the New Hampshire division of
6 state police, department of safety, which authorizes the release of his or her criminal history record,
7 if any, to the office.

8 II. The applicant shall submit with the release form a complete set of fingerprints taken by a
9 qualified law enforcement agency or an authorized employee of the department of safety. In the
10 event that the first set of fingerprints is invalid due to insufficient pattern, a second set of
11 fingerprints shall be necessary in order to complete the criminal history records check. If, after 2
12 attempts, a set of fingerprints is invalid due to insufficient pattern, the office may, in lieu of the
13 criminal history records check, accept police clearances from every city, town, or county where the
14 person has lived during the past 5 years.

15 III. The office shall submit the criminal history records release form and fingerprint form to
16 the division of state police which shall conduct a criminal history records check through its records
17 and through the Federal Bureau of Investigation. Upon completion of the records check, the division
18 of state police shall release copies of the criminal history records to the office. The office shall
19 maintain the confidentiality of all criminal history records information received pursuant to this
20 section.

21 IV. The applicant shall bear the cost of a criminal history record check.

28 providing for licensure portability through a compact privilege granted to qualifying professionals.
29 This compact is designed to achieve the following objectives:

15 engage in the practice of dietetics in any other member state.

16 E. Nothing in this compact shall affect the requirements established by a member state for the
17 issuance of a single state license.

18 F. At no point shall the compact commission have the power to define the requirements for the

22 A. To exercise the compact privilege under the terms and provisions of the compact, the licensee

- 9 hours of practice experience under the supervision of a registered dietitian or a licensed dietitian.
- 10 iii. Successful completion of either:
- 11 (i) The registration examination for dietitians administered by CDR, or

- 15 which may be further governed by the rules of the compact commission.
- 16 2. Hold an unencumbered license in the home state;
- 17 3. Notify the compact commission that the licensee is seeking a compact privilege within a

- 25 maintain a compact privilege, renewal of the compact privilege shall be congruent with the renewal
- 26 of the home state license as the compact commission may define by rule. The licensee must comply
- 27 with the requirements of section 4(A) to maintain the compact privilege in the remote state(s).
- 28 C. A licensee exercising a compact privilege shall adhere to the laws and regulations of the
- 29 remote state. Licensees shall be responsible for educating themselves on, and complying with, any
- 30 and all state laws relating to the practice of dietetics in such remote state.
- 31 D. Notwithstanding anything to the contrary provided in this compact or state law, a licensee
- 32 exercising a compact privilege shall not be required to complete continuing education requirements
- 33 required by a remote state. A licensee exercising a compact privilege is only required to meet any
- 34 continuing education requirements as required by the home state.
- 35 SECTION 5: OBTAINING A NEW HOME STATE LICENSE BASED ON A COMPACT
- 36 PRIVILEGE.

1 A. A licensee may hold a home state license, which allows for a compact privilege in other
2 member states, in only one member state at a time.

3 B. If a licensee changes home state by moving between 2 member states:

4 1. The licensee shall file an application for obtaining a new home state license based on a
5 compact privilege, pay all applicable fees, and notify the current and new home state in accordance
6 with the rules of the compact commission.

7 2. Upon receipt of an application for obtaining a new home state license by virtue of a
8 compact privilege, the new home state shall verify that the licensee meets the criteria in section 4
9 via the data system, and require that the licensee complete the following:

10 a. Federal Bureau of Investigation fingerprint based criminal history record information
11 check;

12 b. Any other criminal history record information required by the new home state; and

13 c. Any jurisprudence requirements of the new home state.

14 3. The former home state shall convert the former home state license into a compact
15 privilege once the new home state has activated the new home state license in accordance with
16 applicable rules adopted by the compact commission.

17 4. Notwithstanding any other provision of this compact, if the licensee cannot meet the
18 criteria in section 4, the new home state may apply its requirements for issuing a new single state
19 license.

20 5. The licensee shall pay all applicable fees to the new home state in order to be issued a
21 new home state license.

22 C. If a licensee changes their state of residence by moving from a member state to a non-
23 member state, or from a non-member state to a member state, the state criteria shall apply for
24 issuance of a single state license in the new state.

25 D. Nothing in this compact shall interfere with a licensee's ability to hold a single state license
26 in multiple states; however, for the purposes of this compact, a licensee shall have only one home
27 state license.

28 E. Nothing in this compact shall affect the requirements established by a member state for the
29 issuance of a single state license.

30 **SECTION 6. ACTIVE MILITARY MEMBERS OR THEIR SPOUSES.**

31 An active military member, or their spouse, shall designate a home state where the individual
32 has a current license in good standing. The individual may retain the home state designation during
33 the period the service member is on active duty.

34 **SECTION 7. ADVERSE ACTIONS.**

35 A. In addition to the other powers conferred by state law, a remote state shall have the
36 authority, in accordance with existing state due process law, to:

37 1. Take adverse action against a licensee's compact privilege within that member state; and

HB 145-FN - AS INTRODUCED
- Page 8 -

1 2. Issue subpoenas for both hearings and investigations that require the attendance and
2 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
3 authority in a member state for the attendance and testimony of witnesses or the production of
4 evidence from another member state shall be enforced in the latter state by any court of competent
5 jurisdiction, according to the practice and procedure applicable to subpoenas issued in proceedings
6 pending before that court. The issuing authority shall pay any witness fees, travel expenses,
7 mileage, and other fees required by the service statutes of the state in which the witnesses or
8 evidence are located.

9 B. Only the home state shall have the power to take adverse action against a licensee's home
10 state license.

11 C. For purposes of taking adverse action, the home state shall give the same priority and effect
12 to reported conduct received from a member state as it would if the conduct had occurred within the
13 home state. In so doing, the home state shall apply its own state laws to determine appropriate
14 action.

15 D. The home state shall complete any pending investigations of a licensee who changes home
16 states during the course of the investigations. The home state shall also have authority to take
17 appropriate action(s) and shall promptly report the conclusions of the investigations to the
18 administrator of the data system. The administrator of the data system shall promptly notify the
19 new home state of any adverse actions.

20 E. A member state, if otherwise permitted by state law, may recover from the affected licensee
21 the costs of investigations and dispositions of cases resulting from any adverse action taken against
22 that licensee.

23 F. A member state may take adverse action based on the factual findings of another remote
24 state, provided that the member state follows its own procedures for taking the adverse action.

25 G. Joint investigations:

26 1. In addition to the authority granted to a member state by its respective state law, any
27 member state may participate with other member states in joint investigations of licensees.

28 2. Member states shall share any investigative, litigation, or compliance materials in
29 furtherance of any joint investigation initiated under the compact.

30 H. If adverse action is taken by the home state against a licensee's home state license resulting
31 in an encumbrance on the home state license, the licensee's compact privilege(s) in all other member
32 states shall be revoked until all encumbrances have been removed from the home state license. All
33 home state disciplinary orders that impose adverse action against a licensee shall include a
34 statement that the licensee's compact privileges are revoked in all member states during the
35 pendency of the order.

36 I. Once an encumbered license in the home state is restored to an unencumbered license (as
37 certified by the home state's licensing authority), the licensee must meet the requirements of section

HB 145-FN - AS INTRODUCED
- Page 9 -

1 4(A) and follow the administrative requirements to reapply to obtain a compact privilege in any
2 remote state.

3 J. If a member state takes adverse action, it shall promptly notify the administrator of the data
4 system. The administrator of the data system shall promptly notify the other member states state of
5 any adverse actions.

6 K. Nothing in this compact shall override a member state's decision that participation in an
7 alternative program may be used in lieu of adverse action.

8 SECTION 8. ESTABLISHMENT OF THE DIETITIAN LICENSURE COMPACT
9 COMMISSION.

10 A. The compact member states hereby create and establish a joint government agency whose
11 membership consists of all member states that have enacted the compact known as the dietitian

13 acting jointly and not an instrumentality of any one state. The compact commission shall come into
14 existence on or after the effective date of the compact as set forth in section 12.

28 f. Accusing any person of a crime or formally censuring any person;

29 g. Trade secrets or commercial or financial information that is privileged or confidential;

30 h. Information of a personal nature where disclosure would constitute a clearly
31 unwarranted invasion of personal privacy;

32 i. Investigative records compiled for law enforcement purposes;

33 j. Information related to any investigative reports prepared by or on behalf of or for use
34 of the compact commission or other committee charged with responsibility of investigation or

- Page 13 -

1 3. If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the
2 meeting will be closed and reference each relevant exempting provision, and such reference shall be
3 recorded in the minutes.

4 4. The compact commission shall keep minutes that fully and clearly describe all matters
5 discussed in a meeting and shall provide a full and accurate summary of actions taken, and the
6 reasons therefore, including a description of the views expressed. All documents considered in
7 connection with an action shall be identified in such minutes. All minutes and documents of a closed
8 meeting shall remain under seal, subject to release only by a majority vote of the compact
9 commission or order of a court of competent jurisdiction.

10 G. Financing of the compact commission.

11 1. The compact commission shall pay, or provide for the payment of, the reasonable expenses
12 of its establishment, organization, and ongoing activities.

13 2. The compact commission may accept any and all appropriate revenue sources as provided
14 in subsection (C)(13).

15 3. The compact commission may levy on and collect an annual assessment from each
16 member state and impose fees on licensees of member states to whom it grants a compact privilege
17 to cover the cost of the operations and activities of the compact commission and its staff, which must,
18 in a total amount, be sufficient to cover its annual budget as approved each year for which revenue is
19 not provided by other sources. The aggregate annual assessment amount for member states shall be
20 allocated based upon a formula that the compact commission shall promulgate by rule.

21 4. The compact commission shall not incur obligations of any kind prior to securing the
22 funds adequate to meet the same; nor shall the compact commission pledge the credit of any of the
23 member states, except by and with the authority of the member state.

24 5. The compact commission shall keep accurate accounts of all receipts and disbursements.
25 The receipts and disbursements of the compact commission shall be subject to the financial review
26 and accounting procedures established under its bylaws. However, all receipts and disbursements of
27 funds handled by the compact commission shall be subject to an annual financial review by a
28 certified or licensed public accountant, and the report of the financial review shall be included in and
29 become part of the annual report of the compact commission.

30 H. Qualified immunity, defense, and indemnification.

31 1. The members, officers, executive director, employees, and representatives of the compact
32 commission shall be immune from suit and liability, both personally and in their official capacity, for
33 any claim for damage to or loss of property or personal injury or other civil liability caused by or
34 arising out of any actual or alleged act, error, or omission that occurred, or that the person against
35 whom the claim is made had a reasonable basis for believing occurred within the scope of compact
36 commission employment, duties, or responsibilities; provided that nothing in this paragraph shall be
37 construed to protect any such person from suit or liability for any damage, loss, injury, or liability

1 caused by the intentional or willful or wanton misconduct of that person. The procurement of
2 insurance of any type by the compact commission shall not in any way compromise or limit the
3 immunity granted hereunder.

4 2. The compact commission shall defend any member, officer, executive director, employee,
5 and representative of the compact commission in any civil action seeking to impose liability arising
6 out of any actual or alleged act, error, or omission that occurred within the scope of compact
7 commission employment, duties, or responsibilities, or as determined by the compact commission
8 that the person against whom the claim is made had a reasonable basis for believing occurred within
9 the scope of compact commission employment, duties, or responsibilities; provided that nothing
10 herein shall be construed to prohibit that person from retaining their own counsel at their own
11 expense; and provided further, that the actual or alleged act, error, or omission did not result from
12 that person's intentional or willful or wanton misconduct.

13 3. The compact commission shall indemnify and hold harmless any member, officer,
14 executive director, employee, and representative of the compact commission for the amount of any
15 settlement or judgment obtained against that person arising out of any actual or alleged act, error,
16 or omission that occurred within the scope of compact commission employment, duties, or
17 responsibilities, or that such person had a reasonable basis for believing occurred within the scope of
18 compact commission employment, duties, or responsibilities, provided that the actual or alleged act,
19 error, or omission did not result from the intentional or willful or wanton misconduct of that person.

20 4. Nothing herein shall be construed as a limitation on the liability of any licensee for
21 professional malpractice or misconduct, which shall be governed solely by any other applicable state
22 laws.

23 5. Nothing in this compact shall be interpreted to waive or otherwise abrogate a member
24 state's state action immunity or state action affirmative defense with respect to antitrust claims
25 under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or
26 regulation.

27 6. Nothing in this compact shall be construed to be a waiver of sovereign immunity by the
28 member states or by the compact commission.

29 **SECTION 9. DATA SYSTEM.**

30 A. The compact commission shall provide for the development, maintenance, operation, and
31 utilization of a coordinated data system.

32 B. The compact commission shall assign each applicant for a compact privilege a unique
33 identifier, as determined by the rules.

34 C. Notwithstanding any other provision of state law to the contrary, a member state shall
35 submit a uniform data set to the data system on all individuals to whom this compact is applicable
36 as required by the rules of the compact commission, including:

37 1. Identifying information;

- 1 2. Licensure data;
- 2 3. Adverse actions against a license or compact privilege and information related thereto;
- 3 4. Non-confidential information related to alternative program participation, the beginning
- 4 and ending dates of such participation, and other information related to such participation not made
- 5 confidential under member state law;
- 6 5. Any denial of application for licensure, and the reason(s) for such denial;
- 7 6. The presence of current significant investigative information; and
- 8 7. Other information that may facilitate the administration of this compact or the protection
- 9 of the public, as determined by the rules of the compact commission.

10 D. The records and information provided to a member state pursuant to this compact or through
11 the data system, when certified by the compact commission or an agent thereof, shall constitute the
12 authenticated business records of the compact commission, and shall be entitled to any associated
13 hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a member
14 state.

15 E. Current significant investigative information pertaining to a licensee in any member state
16 will only be available to other member states.

17 F. It is the responsibility of the member states to report any adverse action against a licensee
18 and to monitor the data system to determine whether any adverse action has been taken against a
19 licensee. Adverse action information pertaining to a licensee in any member state will be available
20 to any other member state.

21 G. Member states contributing information to the data system may designate information that
22 may not be shared with the public without the express permission of the contributing state.

23 H. Any information submitted to the data system that is subsequently expunged pursuant to
24 federal law or the laws of the member state contributing the information shall be removed from the
25 data system.

26 **SECTION 10. RULEMAKING.**

27 A. The compact commission shall promulgate reasonable rules in order to effectively and
28 efficiently implement and administer the purposes and provisions of the compact. A rule shall be
29 invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is
30 invalid because the compact commission exercised its rulemaking authority in a manner that is
31 beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon
32 another applicable standard of review.

33 B. The rules of the compact commission shall have the force of law in each member state,
34 provided however that where the rules conflict with the laws or regulations of a member state that
35 relate to the procedures, actions, and processes a licensed dietitian is permitted to undertake in that
36 state and the circumstances under which they may do so, as held by a court of competent

HB 145-FN - AS INTRODUCED
- Page 16 -

1 jurisdiction, the rules of the compact commission shall be ineffective in that state to the extent of the
2 conflict.

3 C. The compact commission shall exercise its rulemaking powers pursuant to the criteria set
4 forth in this section and the rules adopted thereunder. Rules shall become binding on the day
5 following adoption or as of the date specified in the rule or amendment, whichever is later.

6 D. If a majority of the legislatures of the member states rejects a rule or portion of a rule, by
7 enactment of a statute or resolution in the same manner used to adopt the compact within 4 years of
8 the date of adoption of the rule, then such rule shall have no further force and effect in any member
9 state.

10 E. Rules shall be adopted at a regular or special meeting of the compact commission.

11 F. Prior to adoption of a proposed rule, the compact commission shall hold a public hearing and
12 allow persons to provide oral and written comments, data, facts, opinions, and arguments.

13 G. Prior to adoption of a proposed rule by the compact commission, and at least 30 days in
14 advance of the meeting at which the compact commission will hold a public hearing on the proposed
15 rule, the compact commission shall provide a notice of proposed rulemaking:

- 16 1. On the website of the compact commission or other publicly accessible platform;
17 2. To persons who have requested notice of the compact commission's notices of proposed
18 rulemaking; and
19 3. In such other way(s) as the compact commission may by rule specify.

20 H. The notice of proposed rulemaking shall include:

- 21 1. The time, date, and location of the public hearing at which the compact commission will
22 hear public comments on the proposed rule and, if different, the time, date, and location of the
23 meeting where the compact commission will consider and vote on the proposed rule;
24 2. If the hearing is held via telecommunication, video conference, or other means of
25 communication, the compact commission shall include the mechanism for access to the hearing in
26 the notice of proposed rulemaking;
27 3. The text of the proposed rule and the reason therefore;
28 4. A request for comments on the proposed rule from any interested person; and
29 5. The manner in which interested persons may submit written comments.

30 I. All hearings shall be recorded. A copy of the recording and all written comments and
31 documents received by the compact commission in response to the proposed rule shall be available to
32 the public.

33 J. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules
34 may be grouped for the convenience of the compact commission at hearings required by this section.

35 K. The compact commission shall, by majority vote of all members, take final action on the
36 proposed rule based on the rulemaking record and the full text of the rule.

1 1. The compact commission may adopt changes to the proposed rule provided the changes do
2 not enlarge the original purpose of the proposed rule.

3 2. The compact commission shall provide an explanation of the reasons for substantive
4 changes made to the proposed rule as well as reasons for substantive changes not made that were
5 recommended by commenters.

6 3. The compact commission shall determine a reasonable effective date for the rule. Except
7 for an emergency as provided in section 10(L), the effective date of the rule shall be no sooner than
8 30 days after issuing the notice that it adopted or amended the rule.

9 L. Upon determination that an emergency exists, the compact commission may consider and
10 adopt an emergency rule with 24 hours' notice, with opportunity to comment, provided that the
11 usual rulemaking procedures provided in the compact and in this section shall be retroactively
12 applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective
13 date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted
14 immediately in order to:

- 15 1. Meet an imminent threat to public health, safety, or welfare;
16 2. Prevent a loss of compact commission or member state funds;
17 3. Meet a deadline for the promulgation of a rule that is established by federal law or rule;

18 or

- 19 4. Protect public health and safety.

20 M. The compact commission or an authorized committee of the compact commission may direct
21 revision to a previously adopted rule for purposes of correcting typographical errors, errors in
22 format, errors in consistency, or grammatical errors. Public notice of any revision shall be posted on
23 the website of the compact commission. The revision shall be subject to challenge by any person for
24 a period of 30 days after posting. The revision may be challenged only on grounds that the revision
25 results in a material change to a rule. A challenge shall be made in writing and delivered to the
26 compact commission prior to the end of the notice period. If no challenge is made, the revision will
27 take effect without further action. If the revision is challenged, the revision may not take effect
28 without the approval of the compact commission.

29 N. No member state's rulemaking requirements shall apply under this compact.

30 **SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.**

31 **A. Oversight.**

32 1. The executive and judicial branches of state government in each member state shall
33 enforce this compact and take all actions necessary and appropriate to implement this compact.

34 2. Except as otherwise provided in this compact, venue is proper and judicial proceedings by
35 or against the compact commission shall be brought solely and exclusively in a court of competent
36 jurisdiction where the principal office of the compact commission is located. The compact
37 commission may waive venue and jurisdictional defenses to the extent it adopts or consents to

HB 145-FN - AS INTRODUCED
- Page 18 -

1 participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the
2 selection or propriety of venue in any action against a licensee for professional malpractice,
3 misconduct, or any such similar matter.

4 3. The compact commission shall be entitled to receive service of process in any proceeding
5 regarding the enforcement or interpretation of the compact and shall have standing to intervene in
6 such a proceeding for all purposes. Failure to provide the compact commission service of process
7 shall render a judgment or order void as to the compact commission, this compact, or promulgated
8 rules.

9 B. Default, technical assistance, and termination.

10 1. If the compact commission determines that a member state has defaulted in the
11 performance of its obligations or responsibilities under this compact or the promulgated rules, the
12 compact commission shall provide written notice to the defaulting state. The notice of default shall
13 describe the default, the proposed means of curing the default, and any other action that the compact
14 commission may take and shall offer training and specific technical assistance regarding the default.

15 2. The compact commission shall provide a copy of the notice of default to the other member
16 states.

17 C. If a state in default fails to cure the default, the defaulting state may be terminated from the
18 compact upon an affirmative vote of a majority of the delegates of the member states, and all rights,
19 privileges, and benefits conferred on that state by this compact may be terminated on the effective
20 date of termination. A cure of the default does not relieve the offending state of obligations or
21 liabilities incurred during the period of default.

22 D. Termination of membership in the compact shall be imposed only after all other means of
23 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by
24 the compact commission to the governor, the majority and minority leaders of the defaulting state's
25 legislature, the defaulting state's licensing authority, and each of the member states' licensing
26 authority.

27 E. A state that has been terminated is responsible for all assessments, obligations, and
28 liabilities incurred through the effective date of termination, including obligations that extend
29 beyond the effective date of termination.

30 F. Upon the termination of a state's membership from this compact, that state shall
31 immediately provide notice to all licensees within that state of such termination. The terminated
32 state shall continue to recognize all compact privileges granted pursuant to this compact for a
33 minimum of 6 months after the date of said notice of termination.

34 G. The compact commission shall not bear any costs related to a state that is found to be in
35 default or that has been terminated from the compact, unless agreed upon in writing between the
36 compact commission and the defaulting state.

1 H. The defaulting state may appeal the action of the compact commission by petitioning the
2 United States District Court for the District of Columbia or the federal district where the compact
3 commission has its principal offices. The prevailing party shall be awarded all costs of such
4 litigation, including reasonable attorney's fees.

5 I. Dispute resolution.

6 1. Upon request by a member state, the compact commission shall attempt to resolve
7 disputes related to the compact that arise among member states and between member and non-
8 member states.

9 2. The compact commission shall promulgate a rule providing for both mediation and
10 binding dispute resolution for disputes as appropriate.

11 J. Enforcement.

12 1. By supermajority vote, the compact commission may initiate legal action against a
13 member state in default in the United States District Court for the District of Columbia or the
14 federal district where the compact commission has its principal offices to enforce compliance with
15 the provisions of the compact and its promulgated rules. The relief sought may include both
16 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party
17 shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies
18 herein shall not be the exclusive remedies of the compact commission. The compact commission may
19 pursue any other remedies available under federal or the defaulting member state's law.

20 2. A member state may initiate legal action against the compact commission in the United
21 States District Court for the District of Columbia or the federal district where the compact
22 commission has its principal offices to enforce compliance with the provisions of the compact and its
23 promulgated rules. The relief sought may include both injunctive relief and damages. In the event
24 judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation,
25 including reasonable attorney's fees.

26 3. No party other than a member state shall enforce this compact against the compact
27 commission.

28 SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.

29 A. The compact shall come into effect on the date on which the compact statute is enacted into
30 law in the seventh member state.

31 1. On or after the effective date of the compact, the compact commission shall convene and
32 review the enactment of each of the first 7 member states ("charter member states") to determine if
33 the statute enacted by each such charter member state is materially different than the model
34 compact statute.

35 a. A charter member state whose enactment is found to be materially different from the
36 model compact statute shall be entitled to the default process set forth in section 11.

HB 145-FN - AS INTRODUCED
- Page 20 -

1 b. If any member state is later found to be in default, or is terminated, or withdraws
2 from the compact, the compact commission shall remain in existence and the compact shall remain
3 in effect even if the number of member states should be less than 7.

4 2. Member states enacting the compact subsequent to the 7 initial charter member states
5 shall be subject to the process set forth in section 8(C)(21) to determine if their enactments are
6 materially different from the model compact statute and whether they qualify for participation in
7 the compact.

8 3. All actions taken for the benefit of the compact commission or in furtherance of the
9 purposes of the administration of the compact prior to the effective date of the compact or the
10 compact commission coming into existence shall be considered to be actions of the compact
11 commission unless specifically repudiated by the compact commission.

12 4. Any state that joins the compact subsequent to the compact commission's initial adoption
13 of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which
14 the compact becomes law in that state. Any rule that has been previously adopted by the compact
15 commission shall have the full force and effect of law on the day the compact becomes law in that
16 state.

17 B. Any member state may withdraw from this compact by enacting a statute repealing the
18 same.

19 1. A member state's withdrawal shall not take effect until 180 days after enactment of the
20 repealing statute.

21 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
22 licensing authority to comply with the investigative and adverse action reporting requirements of
23 this compact prior to the effective date of withdrawal.

24 3. Upon the enactment of a statute withdrawing from this compact, a state shall
25 immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding
26 any subsequent statutory enactment to the contrary, such withdrawing state shall continue to
27 recognize all compact privileges granted pursuant to this compact for a minimum of 180 days after
28 the date of such notice of withdrawal.

29 C. Nothing contained in this compact shall be construed to invalidate or prevent any licensure
30 agreement or other cooperative arrangement between a member state and a non-member state that
31 does not conflict with the provisions of this compact.

32 D. This compact may be amended by the member states. No amendment to this compact shall
33 become effective and binding upon any member state until it is enacted into the laws of all member
34 states.

35 **SECTION 13. CONSTRUCTION AND SEVERABILITY.**

36 A. This compact and the compact commission's rulemaking authority shall be liberally
37 construed so as to effectuate the purposes and the implementation and administration of the

1 compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules
2 shall not be construed to limit the compact commission's rulemaking authority solely for those
3 purposes.

4 B. The provisions of this compact shall be severable and if any phrase, clause, sentence, or
5 provision of this compact is held by a court of competent jurisdiction to be contrary to the
6 constitution of any member state, a state seeking participation in the compact, or of the United
7 States, or the applicability thereof to any government, agency, person, or circumstance is held to be
8 unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact
9 and the applicability thereof to any other government, agency, person, or circumstance shall not be
10 affected thereby.

11 C. Notwithstanding section 13(B), the compact commission may deny a state's participation in
12 the compact or, in accordance with the requirements of section 11(B), terminate a member state's
13 participation in the compact, if it determines that a constitutional requirement of a member state is
14 a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the
15 constitution of any member state, the compact shall remain in full force and effect as to the
16 remaining member states and in full force and effect as to the member state affected as to all
17 severable matters.

18 **SECTION 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.**

19 A. Nothing herein shall prevent or inhibit the enforcement of any other law of a member state
20 that is not inconsistent with the compact.

21 B. Any laws, statutes, regulations, or other legal requirements in a member state in conflict
22 with the compact are superseded to the extent of the conflict.

23 C. All permissible agreements between the compact commission and the member states are
24 binding in accordance with their terms.

25 2 Effective Date. This act shall take effect 60 days after its passage.
