STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Five

AN ACT authorizing counties to establish revolving fund accounts.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 1 New Section; County Public Safety Revolving Funds. Amend RSA 23 by inserting after section
2 22 the following new section:

3 23:23 County Public Safety Revolving Funds.

4 I. A county may, by vote of the county delegation, establish a county public safety revolving
5 fund for the provision of public safety services by county employees outside of the ordinary detail of
6 such persons, including but not limited to public safety services in connection with special events,
7 highway construction, and other construction projects, or for any other public safety purpose deemed
8 appropriate by the county sheriff.

9 II. If a county establishes a county public safety revolving fund for the purposes identified in
10 paragraph I, it shall deposit into the fund all or any part of the revenues from fees, charges, or other
11 income derived from the activities or services supported by the fund to replenish the fund to the
12 original appropriated amount. The county shall deposit any other revenues approved by the county
13 delegation into the revolving fund, provided that funds in excess of the original appropriated amount
14 shall be deposited into the general fund. The money in the fund shall be allowed to accumulate from
15 year to year. The county treasurer shall have custody of all moneys in the fund, and shall pay out
16 the same only upon order of the county commissioners. Such funds shall be expended only for the
17 purposes for which the fund was created.

18 III. The county delegation may, at the time it establishes a county public safety revolving
19 fund or at any time thereafter, place limitations on expenditures from the fund including, but not
20 limited to, restrictions on the types of items or services that may be purchased from the fund. No
21 amount may be expended from a revolving fund established hereunder for any item or service for
22 which an appropriation has been specifically rejected by the county delegation during the same year.

23 IV. The provisions of this section shall not preclude the establishment of a county public
24 safety revolving fund for any other purpose authorized by law.

25 2 Effective Date. This act shall take effect 60 days after its passage.
