

HOUSE RECORD

First Year of the 155th Session of the General Court Calendar and Journal of the 1997 Session

Vol. 19 Concord N.H Friday, December 13, 1996 No. 3

Contains: Committees, Hearings, Notices, Work Sessions and Unsigned Sponsor List

HOUSE CALENDARNOTICE

Members of the House:

In this calendar are listed committee assignments for all 400 members of the House for the 1997-98 legislative session. At this time, members are not listed in ranking order. They are listed alphabetically for ease of reference.

We have worked hard to match the many skills and interests of the members with the available committee assignments. It was a big job, as you can imagine. We could not please everyone, of course, but we have done our very best.

For most members, the work they do on their committees will be among the most rewarding and meaningful contributions they make as members of the House. I know that the relationships I formed as a member of several current and former House committees will be with me forever. It is my hope that each member will view his/her committee assignment as an opportunity to help make the House a full participant in the public policy process.

I look forward to a challenging, rewarding legislative session beginning next month. Thank you for all of your kind words and support.

Donna Sytek, Speaker

HOUSE EMERGENCY NOTIFICATION SYSTEM

In past sessions, a plan was developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home.

In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
2. State Police Headquarters will send the message via computer to the stations listed.
3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to cancellation of sessions due to severe weather conditions.
