HOUSE RECORD

First Year of the 155th Session of the General Court
Calendar and Journal of the 1997 Session

Vol. 19 Concord N.H Friday, January 10, 1997 No. 9

Contains: Hearings, Notices, Work Sessions and Unsigned Sponsor List

HOUSE CALENDAR NOTICE

Members of the House:

The House will meet on Wednesday, January 29 at 1:00 p.m. to take up several "fast track" bills which need immediate attention, plus any other bills that have been reported out by committees.

I am pleased to announce the appointment of three additional assistant whips. Representatives Max Sargent of Hillsborough, David Lawton of Center Harbor and Lawrence Guay of Gorham will round out the Republican leadership team. Their energy, experience and talent will be an asset to our work.

I would like to recognize and thank Stan Kelly and his staff in the computer room for their outstanding performance during the power outage at the State House last weekend. They worked day and night to make sure all the information on the legislative system was saved. The changeover to the new system was challenging enough, but the way Stan and his team handled this potential disaster was magnificent. We are proud and grateful to have such fine staff support.

With the computers up and running again the Office of Legislative Services is extremely busy drafting members' bill requests for the January 17 sign-off deadline. It would be advantageous to all of us if members would refrain from calling or visiting OLS drafting attorneys during the next week for purposes other than redrafts. Frequent interruptions slow down the whole process. If you need information about the status of your bills, please call Don Hunter directly. We appreciate your cooperation.

Donna Sytek, Speaker
