HOUSE CALENDAR

NOTICE

MEMBERS OF THE HOUSE:

The House will meet on Wednesday, January 6 at 1:00 p.m. Department of Safety staff will be available on the first floor of the Legislative Office Building from 9:00 a.m. to 3:00 p.m. for license plates and photo ID's. Please bring your vehicle registration and $4.00 for each set of plates.

On Thursday, January 7 at 11:00 a.m. the House will meet in joint convention with the Senate for the Governor's Inauguration.

The long-awaited committee assignments are listed in this calendar. We have tried hard to accommodate your requests, and I am pleased that over 96% of members got one of their top three committee choices.

These committee assignments are contingent upon the adoption of an amendment to the House Rules that establishes a new committee on Children and Family Law and eliminates the committee on Local and Regulated Revenues. This change was made to better manage the heavy workload of the Judiciary and Family Law Committee, and reflects the small number of liquor and gambling bills previously referred to the committee on Local and Regulated Revenues. We hope you will see the wisdom of these modifications and support the amendment to the rules when we meet on January 6.

Chairman and Vice Chairmen will meet at 10:00 a.m. on Tuesday, January 5 in Rooms 201-203, LOB. Most committees will meet the afternoon of January 5. Please check the calendar for listings.

Have a blessed holiday season with those you love.

Donna Sytek, Speaker

The listings shall be in numerical order by bill number/title, and in committee order by bill number/title.

(e) In the second year session no bill or resolution shall be introduced if it is substantially similar to any legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless it has been approved by a majority of the House Rules Committee or a two-thirds vote of those House members present and voting, whether as a bill, an amendment, a committee of conference report or in any other manner. A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, re-referred, or made the subject of a statutory study committee in the first-year session unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

Amend Rule 36(b) by replacing it with the following:

(b) All bills, resolutions, petitions, memorials and other papers addressed to the House, shall be endorsed with the name and the district of the legislator presenting them. Amend Rule 36(d) by replacing it with the following:

(d) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than 5 House members shall be allowed to sponsor any bill or floor amendment. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House. If more than five House members wish to be sponsors, the person who first requested the drafting of the bill, house resolution, concurrent resolution, joint resolution, or constitutional amendment-concurrent resolution shall determine the names of the 4 co-sponsors whose signatures are required for introduction. Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

Amend Rule 37 by replacing it with the following:

37. Every request by a member of the House for drafting a bill, house resolution taking a policy position, concurrent resolution, constitutional amendment-concurrent resolution, or joint resolution other than the general budget or the capital budget bill, shall be accepted by the Office of Legislative Services for processing no later than the date specified by Rule 64. Each request shall be accompanied by sufficient information necessary for drafting. This deadline shall not apply to house resolutions which do not propose policy positions. Such resolutions may be accepted for drafting by the Office of Legislative Services at any time.

Amend Rule 38 by inserting after paragraph (c) the following:

(d) An LSR may be withdrawn at any time prior to its introduction with the consent of all of its sponsors. Any sponsor may request that his or her name be deleted as a sponsor of the bill prior to its introduction.

Amend Rule 40 by replacing it with the following:

40. All House Bills, House Joint Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction. Exceptions:

(a) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, or House Concurrent Resolution may be introduced into the House at any time prior to the crossover date specified in Rule 64, if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor; and

(b) House Resolutions proposing that the House take a policy position may be introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor.

Amend Rule 43 by replacing it with the following:

43. A hearing shall be held on each bill referred to a committee. Notice of committee action shall be posted as follows:

(a) Public hearings shall be advertised in the House Calendar no less than 4 days prior to a hearing.

(b) Executive sessions shall be advertised in the House Calendar no less than 2 days prior to committee action or announced on the floor of the House by the Chairman of the appropriate committee.

(c) All other committee or subcommittee meetings at which decisions are made or information is received shall be advertised in the House Calendar or, if scheduled after the calendar deadline, shall be posted in the Clerk's Office and outside the committee room at least 24 hours prior to the meeting.

(d) When requested by the President of the Senate, the Speaker may authorize and direct the appropriate House committee or committees to sit with the appropriate Senate committee or committees at a public hearing of any Senate bill, and no further public hearing on such bill shall be required when such bill is received subsequently in the House from the Senate.

Amend Rule 44(b) by replacing it with the following:

(b) All committee reports on bills shall be printed in the House Calendar at least once prior to the date listed for floor action. If a bill is reported favorably with an amendment, the committee report shall describe the bill as amended. The amendment shall be printed in the House Calendar.

Amend Rule 44(d) by replacing it with the following:

(d) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a violation of Part I, Article 28-a of the N.H. Constitution. The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of this Rule.

Amend Rule 46(c) by replacing it with the following:

(c) All bills and resolutions addressing licensure and/or certification shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report

on the effect of the passage of such a bill or resolution. All those bills requiring agencies to adopt rules pursuant to RSA 541-A shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such bill or resolution on rulemaking pursuant to RSA 541-A.

Amend Rule 46(e) by replacing it with the following:

(e) The chairmen of committees receiving a bill or referral as outlined in this rule with the approval of the Speaker may decline the referral of any bill from another committee or, notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.
