HOUSE CALENDAR

NOTICE

MEMBERS OF THE HOUSE:

When the House meets today we will take up proposed changes to House rules printed in this calendar. We will also consider HB 100, the so called Claremont "quick fix" bill. The version of the bill in seatpockets is slightly different than the one mailed to you over the weekend. We have corrected a typo, clarified the wording and revised the fiscal note. All the provisions of my cover letter to you still apply.

On Thursday, January 7 at 11:00 a.m., the House will meet in joint convention with the Senate for the Governor's inauguration. Members in the following seats will be displaced to accommodate the dignitaries and the guests of the Governor: Division 1 seats 1-3; Division 2 seats 3-33; Division 3 seats 1-64; Division 4 seats 1-47; Division 5 seats 1-4.

If you are not planning to attend, please notify the Speaker's Office so that we can allow someone else to use your seat for that day.

As we meet today to begin our 1999 session, please note the sprucing up of our chambers. Thank you to all our employees for their hard work.

Donna Sytek, Speaker

NOTICE

HOUSE EMERGENCY NOTIFICATION SYSTEM

A plan has been developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home.

In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

- 1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
- 2. State Police Headquarters will send the message via computer to the stations listed.
- 3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to cancellation of sessions due to severe weather conditions.

Also in the event members wish to obtain road or weather conditions during periods of inclement weather they should call the nearest Troop Station to their residence or Headquarters Communications in Concord. When calling Headquarters Communications, they should ask to speak with the Communications Supervisor. When calling a Troop Station, inquiries will be handled by the Communications Specialist on duty at the time.

The caller should specify the information he or she wishes to obtain. This information should be readily available to communications personnel and every effort will be made to accommodate these requests in a timely manner.

Please be advised when calling State Police Headquarters to call **271-3636** and not any of the 800 lines, which are used for emergency purposes only.
