

NOTICE: HB125

Scheduled for public hearing in the House Finance committee on

TUESDAY, 1/26/1999 at 9:30AM in Rooms 210 - 211 Legislative Office Building.

The following amendment 1999-0018h will be presented to the committee to replace the bill:

Rep. Kurk, Hills. 5

January 22, 1999

1999-0018h

04/01

Amendment to HB 125-FN-LOCAL

Amend the bill by replacing all after the enacting clause with the following:

1 Policy and Purpose.

I. It is the intent of the general court to measure the provision of an adequate public education for primary and secondary pupils by using outcome criteria. The test scores on the New Hampshire Education Improvement and Assessment Program, which was enacted by the legislature in 1993 to establish and measure what New Hampshire students should know and be able to do, are the most comprehensive and best currently available measure of educational outcomes.

II. It is the intent of the general court that these statewide assessment test scores be used to measure the level at which individual school districts are meeting the statutory criteria defining an adequate public education. The general court finds that students who scored at the basic, proficient and advanced levels will have met those criteria. The general court further finds that the school districts where 40 to 60 percent of the students have scored at those levels are those school districts that are meeting the relevant outcome expectations and are providing an adequate public education. The general court believes that this mid-range of results provides a reasonable sample of districts that excludes unrepresentative demographic extremes, including but not limited to, parental income and educational levels.

III. The general court believes that those school districts determined to be providing an adequate public education in the most cost-effective manner should be used to determine the average base per pupil cost of an adequate public education. Although various sample limitations are reasonable, the general court finds that those school districts in the sample group with per pupil base level education costs in the lower half are those districts providing an adequate public education in the most cost-effective manner. For calculation purposes, the base per pupil cost shall include all programs currently used by school districts to provide an education, excluding capital costs and debt service on such costs, special education costs, vocational education costs, and transportation costs.

IV. The general court further finds that not all of the educational activities the costs of which are included in the base per pupil cost are required for an adequate public education. The general court estimates that 25 percent of the average base per pupil cost includes administrative, curricular, extra-curricular and other costs that are not required to provide the curricular, programs, and other services essential for an adequate public education. Therefore, there shall be a 25 percent reduction from the average base per pupil cost to more closely reflect the actual average base per pupil cost of providing an adequate public education. It is further intended that the final determination of the cost of adequacy shall be weighted to reflect the cost of an elementary education, a high school education, vocational education and special education and shall include 70 percent of the cost of transportation.

2 New Subdivision; State Grants for Educational Adequacy. Amend RSA 198 by inserting after section 37 the following new

subdivision:

State Grants for Educational Adequacy

198:38 Purpose; Intent.

I. It is the intent of the general court to define and fund an adequate public education for primary and secondary pupils.

II. Notwithstanding any provision of law to the contrary, for the fiscal year ending June 30, 2000, the cost of an adequate public education for primary and secondary pupils shall be calculated in accordance with the provisions of this subdivision using data from 1997-1998 school year as provided by the department of education. For the fiscal year ending June 30, 2001, the amount calculated for the prior fiscal year shall be adjusted by the increase in the relevant consumer price index as determined by the department of revenue administration.

198:39 Definitions. In this subdivision:

I. "Adequacy cost percentage" means 75 percent of the statewide average base per pupil cost and is that portion of the average base per pupil cost which is necessary for providing an adequate public education.

II. "Base per pupil cost" means the total district education costs less capital costs, transportation costs, vocational education costs, school lunch program costs and special education costs, divided by the number of pupils in attendance as such costs and pupil attendance are determined by the department of education in a given school year.

III. "Weighted pupils" means pupils in weighted classifications as set forth in RSA 198:28, IX, except that the weighted classification for high school pupils shall be determined by using the average base per pupil cost for high school in relation to the average base per pupil cost for elementary school.

198:40 Cost of Adequate Public Education. The statewide cost of an adequate public education for primary and secondary pupils shall be calculated by using the following formula:

[(The average basic per pupil cost of an elementary school education minus the adequacy cost percentage) multiplied by the number of weighted pupils statewide] plus 70 percent of district transportation costs statewide.

198:41 Distribution of State Grants for Educational Adequacy. State grants for educational adequacy shall be made in quarterly installments beginning on July 1, 1999. Such grants shall be distributed to school districts and shall be included in each district's estimated revenues for the purpose of calculating a local school district tax rate, if any. Such grants shall be calculated for each district by using the following formula:

[(The statewide average basic per pupil cost of an elementary school education minus the adequacy cost) multiplied by the number of weighted pupils in the district] plus 70 percent of the district's transportation costs.

3 Effective Date. This act shall take effect upon its passage.

HOUSE CALENDAR

NOTICE

MEMBERS OF THE HOUSE:

The House will meet on Thursday, January 28 at 10:00 a.m. In addition to the regular calendar items, we will consider an amendment proposed by the Rules Committee changing the last date to amend rules by a majority vote from January 28 to March 11.

Future session days are tentatively scheduled for Wednesday, February 10 at 10:00 a.m. for any bills reported out of committee, Thursday, February 11 at 10:00 a.m. for the Governor's budget message, and February 16, 17, and 18 for the bulk of the Claremont bills.

Don't forget to bring this calendar to the House session on Thursday. Under our new rules provision, the committee reports will not be reprinted in the seatpocket calendar.

Chairmen and Vice Chairmen will have their regular meeting in Room 201 at 9:00 a.m. on Tuesday, January 19.

CONSENT CALENDAR

EXECUTIVE DEPARTMENTS AND ADMINISTRATION

HB 75, changing the number required for a quorum on the commission for human rights. OUGHT TO PASS

Rep. Howard C. Dickinson for Executive Departments and Administration: When the number of members of the commission for human rights was increased from 5 to 7 members in 1992, the members needed to make a quorum remained at 3. This bill increases the number of members necessary for quorum from 3 to 4, except that three members may sit to hear complaints, RSA 354-A:21,II(b). Vote 17-0.

JUDICIARY

HB 54, allowing simultaneous service of a demand for rent and a notice to quit. OUGHT TO PASS

Rep. James W. Craig for Judiciary: This bill provides a technical change in the landlord/tenant statute without affecting the rights of either landlords or tenants as they currently exist in that statute. The current statute requires a landlord in an eviction process to serve a demand for rent prior to serving a notice to quit upon a tenant. Today, there is no legitimate reason for this requirement in the statute and HB 54 corrects this by allowing a landlord to serve the demand for rent prior to "or simultaneously with" the notice to quit. Vote 19-1.

WILDLIFE AND MARINE RESOURCES

HB 72, relative to the seasons for fishing on certain large lakes. INEXPEDIENT TO LEGISLATE

Rep. Richard S. Brothers for Wildlife and Marine Resources: This bill seeks to expand the fishing season on large lakes. While a well intentioned idea, the legislature has always allowed the Fish and Game Department to set the fishing seasons, with the information they receive from their biologists. This has been the most effective way to manage the fish population in these lakes. Vote 18-0.

THURSDAY, JANUARY 28

REGULAR CALENDAR

FINANCE

HB 102-FN, establishing a dedicated education trust fund. INEXPEDIENT TO LEGISLATE

Rep. O. Alan Thulander for Finance: The intent of this bill is to establish a dedicated fund to receive all proceeds from state aid or appropriations for educational support. The aim is to prevent any transfer or diversion of these funds to other than

educational purposes. This bill, while having merit, is premature in that the final structure of the solution has yet to be formulated. This approach may possibly be included in the recommendation brought forward for House consideration. Vote 24-0.

HB 103-L, repealing the annual school tax rate to be assessed for the support of the public schools. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: This bill repeals the annual school tax rate of \$3.50 (RSA 198:1) assessed since 1919 by selectmen for the support of public schools. However, in 1939 a tobacco tax was enacted (RSA 78) which set aside RSA 198:1 disclosing that "no direct state tax shall be levied on the cities and towns" while the tobacco chapter remains in effect. In short, this bill is unnecessary as the provisions of RSA 198:1 no longer apply. Vote 23-1.

HB 104, relative to the first property tax bill of 1999. INEXPEDIENT TO LEGISLATE

Rep. Jeffrey C. MacGillivray for Finance: While it is often prudent to plan for contingencies, at this time we expect that the New Hampshire legislature will enact legislation to address the Claremont ruling on time. In the event that we do not, we would need different legislation with considerably more provisions than are contained in this bill. We thank the sponsor for her suggestions, but we would prefer to only work on such legislation if it became necessary. Vote 24-0.

HB 111-L, relative to the validity and enforceability of certain obligations and indebtedness of municipalities. OUGHT TO PASS WITH AMENDMENT

Rep. Vivian R. Clark for Finance: This bill provides "belt and suspender" protections for municipalities facing short-term Claremont-related problems. The bill allows banks to risk making small, short-term loans to municipalities this year, and absolves municipal officials from official and personal liability for borrowing those sums even if those loans would normally be repaid from school revenues which are not currently assured. The amendment permits school boards and towns to call special school district and town meetings until December 31, 1999 without court approval, if necessary to address issues created by any resolution of the Claremont lawsuit. Vote 23-0.

HB 234-FN-A, relative to state matching funds for Federal Emergency Management Agency disaster assistance grants, and making appropriations therefor. OUGHT TO PASS

Rep. Charles L. Vaughn for Finance: In 1995 and in the winter and spring of 1998, ice and rain storms created disaster areas throughout New Hampshire. FEMA inspectors approved eligible costs associated with these disasters based on cost sharing set at 75% federal and 25% state. The 25% state share reimburses state agency expenses and the full 12.5% of local expenditures for which the state is responsible. This requires \$621,710 from state general funds and \$213,127 from highway funds. Vote 18-0.

REVISED AMENDED FISCAL NOTES

The following HBs have a revised or amended fiscal note: HBs 108, 237.

Leo J. Callahan, Assistant Clerk

Members should be aware that several items have been added this week to our web site "www.state.nh.us". One item is Bill Status Searching for the current session. Also, as bills are introduced, a copy of the text is put on the site and linked to bill

status and to a title list. These bill copies will be updated with the latest versions as the bills get amended. We also have downloadable files of all members' names and addresses in several popular formats. Users also have the ability to search across all 1999 LSR's by number, word in the title or by sponsor. Although we have done much work, we still have more to do in the areas of Bill Status, Roster and Who Is My Legislator.

On another subject, some members are concerned about the phasing out of the Dial-Up-Wang system. This system and the software applications we developed are not Year 2000 compliant. We are currently rewriting these applications for the Windows and Web environments. The Wang system will continue to be updated through the current session with member information, Wang E-mail and the calendars and journals. However, Bill Status and the Text of the Bills will not be available on this machine as we move toward phasing it out. I will continue to help find solutions for those members who will be impacted by the loss of the Wang system.

Stan Kelly, Manager, General Court Information Systems

There are several members who have not completed mileage cards and/or W-4 forms. Please stop in the Legislative Accounting Office, Room 113, State House, as soon as possible. Thank you.

George C. Coronis, Legislative Accountant

NH Senators and Representatives may receive complimentary ski privileges at Cannon Mountain for themselves and one guest upon presentation of proper credentials at the ticket window. The elected official must be present to personally present the credentials unless prior arrangement has been made with Commissioner George Bald at the Department of Resources and Economic Development. *(Lift tickets are to be picked up at Guest Services or the ticket Window at Cannon.)*

Rep. Gene Chandler

Pursuant to RSA 326-B:12, the Joint Health Council will meet at the NH Board of Nursing, Room 17, 78 Regional Drive, Building 2, Concord, on Monday, February 1 at 5:30 p.m.

Karen O. Wadsworth, Clerk of the House

When the House Clerk's Office is aware of House Members who are hospitalized or homebound by serious illness, we will publish a list of names and addresses so that their colleagues who so desire may send cards and greetings.

Herbert R. Hansen, 34 Danforth Corners Road, Hillsborough, New Hampshire 03244-4004

Stanley N. Searles, Sr., 129 Dracut Road, Hudson, New Hampshire 03051-5423

Roger Zerba, 340 Pako Avenue, Keene, New Hampshire 03431-5023

Karen O. Wadsworth, Clerk of the House

AMENDMENTS

(LISTED IN NUMERICAL ORDER)

1999-0013h

Amendment to HB 111-LOCAL

Proposed by the Committee on Finance

Amend the title of the bill by replacing it with the following:

An act relative to the validity and enforceability of certain obligations and indebtedness of municipalities and allowing school districts and towns to hold special meetings to address issues raised by resolution of the Claremont lawsuit.

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as 4:

3 Special School District and Town Meetings Authorized. A school board may call a special school district meeting under RSA 197:3, without court approval, and a town may call a special town meeting under RSA 31:5, without court approval, to address any issues raised by resolution of the Claremont lawsuit. This authority shall expire no later than December 31, 1999.

AMENDED ANALYSIS

This bill makes valid and enforceable certain obligations and indebtedness of municipalities. The bill also allows school districts and towns to hold special meetings to address issues raised by resolution of the Claremont lawsuit on or before December 31, 1999.

1999-0016h

Amendment to HR 1

Proposed by the Committee on Rules

Amend the title of the resolution to read as follows:

A RESOLUTION adopting the rules of the 1998 legislative session and providing that house rules may be amended by a majority of the house on or before March 11, 1999.

Amend the resolution by replacing all after the resolving clause with the following:

That the house adopt the rules of the 1998 legislative session and that any house rule may be amended by majority vote through the second Thursday of March, 1999 (March 11).

AMENDED ANALYSIS

This house resolution adopts the rules of the 1998 legislative session and provides that any house rule may be amended by a majority vote of the house on or before March 11, 1999.

NOTICE

HOUSE EMERGENCY NOTIFICATION SYSTEM

A plan has been developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home.

In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
2. State Police Headquarters will send the message via computer to the stations listed.
3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to

cancellation of sessions due to severe weather conditions.

Also in the event members wish to obtain road or weather conditions during periods of inclement weather they should call the nearest Troop Station to their residence or Headquarters Communications in Concord. When calling Headquarters Communications, they should ask to speak with the Communications Supervisor. When calling a Troop Station, inquiries will be handled by the Communications Specialist on duty at the time.

The caller should specify the information he or she wishes to obtain. This information should be readily available to communications personnel and every effort will be made to accommodate these requests in a timely manner.

Please be advised when calling State Police Headquarters to call **271-3636** and not any of the 800 lines, which are used for emergency purposes only.

A toll-free 24-hour weather and traffic hotline is now available at 1-800-918-9993. If you have to call from out-of-state, the number is 1-603-271-6900.
