NOTICE

The 2000 hard-cover permanent House Journal, at some point in the fall, will be sent for typesetting and printing. Orders have to be placed in the House Clerk's office by September 29. Distribution is expected to be after the first of the year of 2001.

Upon request, House and Senate members, as well as heads of state agencies are each entitled to one copy at no cost.

Additional copies plus all copies for non-legislators or non-state agencies will cost approximately \$45 each, plus mailing costs if there are any. If you are a member of the general public or if you are ordering multiple copies, please DO NOT send your money now. You will be billed.

In recent years, printing costs have continued to rise. Once again, an effort is being made to cut waste. The number to be printed will be determined by the number of orders placed. Please do not order a journal if you have no intention of claiming it.
