NOTICE

HOUSE EMERGENCY NOTIFICATION SYSTEM

In past sessions, a plan was developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home.

In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

- 1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
- 2. State Police Headquarters will send the message via computer to the stations listed.
- 3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to cancellation of sessions due to severe weather conditions.
