First Year of the 159th General Court Calendar and Journal of the 2005 Session

Vol. 27	Concord N.H.	Friday, December 17, 2004	No. 3
Contains: Meetings, Notices, House Emergency Notification System and Unsigned Sponsor List			

HOUSE CALENDAR

NOTICE

MEMBERS OF THE HOUSE:

Committee and seating assignments will be announced in next week's calendar.

For your planning purposes, the House will take its winter "break" the week of Monday, February 28 through Friday, March 4. No legislative business will be scheduled during that week.

After addressing known requirements on parking we find that there are a few spaces left in the Green and School Street lot. In the past many members have car pooled. We wish to recognize this practice by reserving a few close spaces for those members who pledge to always attend sessions in the same car pool. They will be allocated to the greatest number in a pool. If you have a group interested in applying for the space, submit the names of the members who will be in your car pool by next Tuesday.

It is likely that the spaces will go to pools of four or more. Take advantage of this opportunity to discuss the issues of the day with colleagues, and help solve a space problem. I want to thank all those who have made organization go smoothly.

W.
Douglas
Scamman,
Speaker

NOTICE

Please note the Calendar will close on Wednesday for the next two weeks. Members and staff who need to schedule meetings should make arrangements with the Clerk's Office for room availability/assignment and publication of meeting notices. All House offices will be closed Friday, December 24 and Friday, December 31.

NOTICE

HOUSE EMERGENCY NOTIFICATION SYSTEM

UPDATE

A new **Road Condition Hotline** has been implemented by NH State Police and the NH Department of Transportation. The System, known as the **511** System, will allow you to check road conditions throughout the state. Simply dial 511 and you will receive verbal prompts to help you access the information that you need. Some telephone systems will not allow 511 calls and in that case you can dial the toll free number at **1-866-282-7579**. You can also check road conditions via the internet at www.511NH.com.

In past sessions, a plan was developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home.

In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
2. State Police Headquarters will send the message via computer to the stations listed.
3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to cancellation of sessions due to severe weather conditions.
