- When a committee requests that the bill be sent to a Committee of Conference, the Chairman will recommend members for appointment. If the bill has gone to more than one committee, the members may come from the different committees as determined by the Speaker. Chairmen should recommend only those members from their policy committees. The Speaker shall make the final decision of Conference committee members.
- **The first named House member shall serve as Chairman of the House Conferees.** For House bills in Committee of Conference, the House Conferee Chairman shall set the time and place of the first meeting and shall chair each meeting of the Committee of Conference. **Each meeting shall be posted in the Clerk's Office and outside the committee room at least 24 hours in advance.** [House Rule 43 (c)]. If a Committee of Conference meeting recesses, the reconvening time shall be posted in the Clerk's office and outside the committee room.

The Committee also may not add amendments that are not germane to the subject matter of the bill or contain subject matter that has been indefinitely postponed. A non-germane amendment is one in which the subject matter is not contained in either the House or Senate version of the bill. [House Rule 49 (g)]
- The sponsor of a bill that is in Committee of Conference shall, upon request, be provided an opportunity to be heard.
