GOVERNOR'S VETO MESSAGE ON HB 354

By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, on July 1, 2005 I vetoed House Bill 354, an act relative to the review, approval, and adoption of agency rules.

The sponsors of this bill have worked hard to improve the administrative rules process, and I commend them for their efforts. However well intentioned, House Bill 354 has the potential to result in serious unintended consequences, delaying the work of state agencies, increasing inefficiency and causing uncertainty for New Hampshire citizens whose lives are affected by agency rules.

The bill would add another layer of legislative oversight to our already cumbersome administrative rulemaking process. It would allow legislative policy committees –in addition to the Joint Legislative Committee on Administrative Rules – to block agency rules. In some cases, rulemaking could be significantly delayed while the respective legislative policy committees decide whether to block a proposed agency rule.

Our constitution contemplates that our three branches of government should work independently but collaboratively in the best interest of our citizens. I am vetoing House Bill 354 because it creates new layers of bureaucracy that I believe will impede the operation of state government.

I look forward to working with the legislature and state agencies to improve the rulemaking process, making it more efficient and responsive to the needs of our citizens.

Respectfully submitted,
John H. Lynch
Governor
