### HOUSE CALENDAR

#### NOTICE

##### MEMBERS OF THE HOUSE:

I know all members join with Stella and me in extending our sympathies to the family of the Honorable John R.M. Alger, who passed away Tuesday morning. John served the state and his beloved district with great pride, intelligence and commitment. He enjoyed the debate, the exchange of ideas, and the opportunity to learn everything he could about a wide variety of subjects.

After a term on the Environment and Agriculture Committee, John served three terms on the Education Committee and was vice chairman of that committee in 2003-2004. This session he was named chairman of the Science, Technology and Energy Committee. It was while serving in this capacity that his illness was diagnosed, and he reluctantly gave up the chairmanship, saying at the time that it was in the best interest of the committee to have a chairman who could be present on a regular basis. Following a lengthy absence, John attended House sessions in June, and was enthusiastic in his return. However, when it became clear that he would not be able to participate in next year's session, he resigned from the House last month.

A private family service will be held for John, with a memorial service planned for next summer. We will truly miss John and will always remember his humor, dedication and dignity. Our thoughts go out to his wife Judy, daughter Louisa, sons Montgomery and Philip, and his entire extended family. The Alger home is on 935 East Rumney Road, Rumney, NH 03266-3037.

Douglas  
Scamman,  
Speaker

## GOVERNOR'S VETO MESSAGE ON HB 354

**By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, on July 1, 2005 I vetoed House Bill 354, an act relative to the review, approval, and adoption of agency rules.**

The sponsors of this bill have worked hard to improve the administrative rules process, and I commend them for their efforts. However well intentioned, House Bill 354 has the potential to result in serious unintended consequences, delaying the work of state agencies, increasing inefficiency and causing uncertainty for New Hampshire citizens whose lives are affected by agency rules.

The bill would add another layer of legislative oversight to our already cumbersome administrative rulemaking process. It would allow legislative policy committees –in addition to the Joint Legislative Committee on Administrative Rules – to block agency rules. In some cases, rulemaking could be significantly delayed while the respective legislative policy committees decide whether to block a proposed agency rule.

Our constitution contemplates that our three branches of government should work independently but collaboratively in the best interest of our citizens. I am vetoing House Bill 354 because it creates new layers of bureaucracy that I believe will impede the operation of state government.

I look forward to working with the legislature and state agencies to improve the rulemaking process, making it more efficient and responsive to the needs of our citizens.

Respectfully submitted,  
John H. Lynch  
Governor
