HOUSE CALENDAR

NOTICE

MEMBERS OF THE HOUSE:

My recent decision to restrict legislative mileage resulted in a great amount of input from House members. My decision was based strictly on the economic facts that (1) we are facing a large deficit in the amount budgeted for mileage payments; (2) the per-mile amount allowed by the federal government has increased by 20 percent this year and is expected to rise again on January first; and (3) the need to conserve energy.

It is important that we use our time spent in Concord wisely. At the same time I certainly do not want to prevent anyone from representing their constituents the way they see fit. As a result, I have rescinded my original request to conduct business only on Tuesday through Thursdays. However, I ask that you strive to maximize your time spent at the State House or the LOB. I would like all members to limit their activity to three days a week when possible, realizing that certain work schedules may require that some representatives must be in Concord on Mondays and/or Fridays. I will continue to monitor the situation and will speak directly to any representative whom I feel might be taking advantage of the mileage payments.

With our constituents facing belt-tightening measures over the winter, I strongly believe that we should lead the way when it comes to cutting expenses. I appreciate your cooperation in this matter.

Douglas
Scamman,
Speaker

GOVERNOR'S VETO MESSAGE ON HB 354

By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, on July 1, 2005 I vetoed House Bill 354, an act relative to the review, approval, and adoption of agency rules.

The sponsors of this bill have worked hard to improve the administrative rules process, and I commend them for their efforts. However well intentioned, House Bill 354 has the potential to result in serious unintended consequences, delaying the work of state agencies, increasing inefficiency and causing uncertainty for New Hampshire citizens whose lives are affected by agency rules.

The bill would add another layer of legislative oversight to our already cumbersome administrative rulemaking process. It would allow legislative policy committees –in addition to the Joint Legislative Committee on Administrative Rules – to block agency rules. In some cases, rulemaking could be significantly delayed while the respective legislative policy committees decide whether to block a proposed agency rule.

Our constitution contemplates that our three branches of government should work independently but collaboratively in the best interest of our citizens. I am vetoing House Bill 354 because it creates new layers of bureaucracy that I believe will impede the operation of state government.

I look forward to working with the legislature and state agencies to improve the rulemaking process, making it more efficient and responsive to the needs of our citizens.

Respectfully submitted,
John H. Lynch
Governor
