 - When a committee requests that the bill be sent to a Committee of Conference, the Chairman will recommend members for appointment. If the bill has gone to more than one committee, the members may come from the different committees as determined by the Speaker. Chairmen should recommend only those members from their policy committees. The Speaker shall make the final decision of Conference committee members.
 - **The first named House member shall serve as Chairman of the House Conferees.** For House bills in Committee of Conference, the House Conferee Chairman shall set the time and place of the first meeting and shall chair each meeting of the Committee of Conference. **Each meeting shall be posted in the Clerk's Office and outside the committee room at least 24 hours in advance.** [House Rule 43 (c)]. If a Committee of Conference meeting recesses, the reconvening time shall be posted in the Clerk's office and outside the committee room.
 - The House and Senate Conferees on a bill shall meet jointly but vote separately while in conference.
 - The Committee of Conference may not change the title of the bill. The Committee also may not add amendments that are not germane to the subject matter of the bill or contain subject matter that has been indefinitely postponed. A non-germane amendment is one in which the subject matter is not contained in either the House or Senate version of the bill. [House Rule 49 (g)]
 - The sponsor of a bill that is in Committee of Conference shall, upon request, be provided an opportunity to be heard.
 - A unanimous vote of both the House and Senate Conferees, voting separately, is necessary for an agreed upon report to be sent to the House and Senate.

We will be collecting used cell phones for soldiers in the anteroom. These phones will for the most part be recycled and used to buy phone cards for our troops overseas. So far we have donated over 60,000 minutes of phone cards. Last session we collected over 100 phones. We would invite you to ask others in your community to bring them to you, so you may bring them to the donation box.

Rep. Ken Hawkins

All legislators and staff are invited to sign the 2% Global Warming Solution pledge to show your support to reduce pollution which causes global warming. Scientists agree that we can avoid its worst consequences if we take immediate action to curb global warming pollution by 2% per year for the next 40 years. While heat related deaths and intense tropical storms are on the rise, the polar bears' habitat is literally melting away. Help the Sierra Club show that New Hampshire is united to build a cleaner, smarter, safer energy future. Pledges can be found in the Environment and Agriculture House Committee office off Room 303 in the LOB and can be returned to my mailbox there.
