EXECUTIVE DEPARTMENTS AND ADMINISTRATION

SB 438, relative to contractor accountability and disclosure in the public works construction procurement process. **INEXPEDIENT TO LEGISLATE.**
Rep. James F Headd for Executive Departments and Administration: This bill, intended to increase accountability in awarding public works contracts, would result in considerable delay in the awarding of the contracts and increase costs. Additionally, a representative of administrative services indicated his bureau of public works would require a minimum of 30 additional people just to handle the paper work. The cost in salaries and benefits is unquestionably prohibitive in view of current economic conditions. **Vote 10-6.**
