MEMBERS OF THE HOUSE:

I would like to take this opportunity to thank you for all your hard work and cooperation in committees and during sessions throughout the year. It is now time to take a break from legislative business and spend time with family and friends.

There will be no legislative activity in July with the exception of statutory committees that have meeting requirements set in law. Retained bill subcommittees, ad-hoc groups and caucuses, and chapter study committees chaired by House members not already in the Calendar, will not be scheduled during July. Legislative work will resume in August on Tuesdays, Wednesdays and Thursdays only.

I wish you all a wonderful, restful summer.
