NOTICE

HOUSE EMERGENCY NOTIFICATION SYSTEM

In past sessions, a plan was developed for the House Leadership to communicate with members of the House at night and at such other times as the members are at home. In most emergencies the individual member will be aware that an emergency exists, though may be in doubt as to its extent.

The following procedure has been developed:

1. Notice of an emergency message will be given to State Police Headquarters in Concord and commercial wire services.
2. State Police Headquarters will send the message via computer to the stations listed.
3. Reliance will be placed on each individual legislator to call the terminal station nearest his or her home and inquire for any emergency message to legislators in times of emergency or suspected emergency. This will include, but not be limited to cancellation of sessions due to severe weather conditions.

Headquarters Communications in Concord. When calling Headquarters Communications, they should ask to speak with the Communications Supervisor. When calling a Troop Station, inquiries will be handled by the Communications Specialist on duty at the time. The caller should specify the information he or she wishes to obtain. This information should be readily available to communications personnel and every effort will be made to accommodate these requests in a timely manner.

Please be advised when calling State Police Headquarters to call **271-3636** and not any of the 800 lines, which are used for emergency purposes only.
