Special Committee Relative to Calculation of the
Local Tax Cap by the Newfound Area School District

In 2011, the legislature authorized local political subdivisions to adopt a local tax cap which requires that the recommended budget submitted to the voters shall not exceed "the prior fiscal year's actual amount of local taxes raised" by more than a certain amount. The Newfound Area School District adopted a local tax cap in March of 2012 of 2%. For FY 2013 the Newfound Area School District adopted a budget of \$11.6 Million of which approximately \$700,000 in lapsed funds were brought forward to reduce taxes. A question has arisen as to whether the tax cap applies to the total amount of the budget or the amount of the budget after reduction for any fund balances brought forward to reduce taxes.

The school district is in the midst of preparing its budget for FY 2014, and the Department of Revenue Administration is in doubt as to the correct interpretation of RSA 32:5-C under these circumstances. The school district has requested that the legislature adopt emergency legislation clarifying that the amount of the tax cap to be applied in preparing its FY 2014 budget shall be the amount of local taxes raised for the 2013 fiscal year without reduction for any lapsed balances. The proposed legislation is printed in this calendar. As proposed, this legislation would apply only to this year's budget for the Newfound Area School District. Further legislation has been filed that will go through the normal legislative process for a proposed permanent change to the language. Because this is a matter of some urgency, a Special Committee has been appointed which will hold a special public hearing on Wednesday, December 19, 2012, at 10:00 a.m. in Room 210-211 of the Legislative Office Building to consider a bill that will be offered by the sponsors on behalf of the school district. The Special Committee will bring a recommendation to the House floor on convening day.
