HOUSE CALENDAR

MEMBERS OF THE HOUSE:

Seating assignments for the 2013-2014 sessions are now complete and listed in this Calendar. I am particularly enthusiastic about the seating for this term because many of you had expressed interest in having House members of both parties sit among each other in the House Chamber rather than continue the long-held practice of being separated by party affiliation. I enthusiastically support this idea and have devised a seating plan that will reflect this change. It will allow everyone the opportunity to get to know members from both caucuses, as well as encourage us to discover some of the common goals we all share as State Representatives.

Also printed in this Calendar is the report of the Special Committee which held a hearing regarding the New-found Area School District local tax cap calculation. This proposed legislation will be introduced on January 2nd as HB 101 and will be acted on during the session. To accommodate the Senate, we will take up this bill before going into Joint Convention.

Another matter of business to be brought before the House will be the consideration of proposed House Rules for the 2013-2014 term (noted in this Calendar). The current House Rules can be found in the Manual of the General Court - 2011-2012 (also known as the "Black Book") and on the House website.

As stated in last week's Calendar, the House will not be taking a winter break during this first year of the biennium.

Please notify the House Clerk's Office if you do not plan to attend the Inauguration of Governor-elect Maggie Hassan on January 3. This information will be helpful to those who are planning the seating for this event.

Best wishes to you all for a happy and healthy New Year.

Terie Norelli, Speaker

STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Thirteen

AN ACT relative to calculation of the local tax cap by the Newfound area school district.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 Findings. The general court finds that:

I. Chapter 234:6, Laws of 2011, provided for the adoption of local tax caps for towns and districts under RSA 32:5-c. The effective date of this enabling legislation was July 5, 2011.

II. On March 13, 2012 the Newfound area school district, by vote at its 2012 deliberative session, adopted the provisions of RSA 32:5-b. Implementing the tax cap for the Newfound area school district began with the preparation of the fiscal year 2014 budget.

III. The Newfound area school district is the only school district that has adopted the provisions of RSA 32:5-b.

IV. The implementation of this act is limited to the calculation of the Newfound area school district budget for fiscal year 2014 and has no further application.

2 Local Tax Cap; Newfound Area School District. For the purpose of determining compliance with the tax cap adopted under RSA 32:5-c by the Newfound area school district, the amount to which the tax cap shall be applied in preparing the budget committee's 2014 fiscal year budget shall be the amount of local taxes raised for the 2013 fiscal year without reduction for any lapsed balances pursuant to RSA 32:7 brought forward to reduce taxes.

3 Effective Date. This act shall take effect upon its passage.

HB _____ relative to calculation of the local tax cap by the Newfound area school district.

VOUGHT TO PASS: Rep. Gary B. Richardson and Rep. Lynne Ober for the committee.

This bill provides that the local tax cap calculated under RSA 32:5-b for the Newfound Area School District, which is comprised of seven towns in three counties, shall not include the previous fiscal year lapsed balances brought forward. This will apply only to the FY2014 budget. The Newfound Area School District is the only district to adopt this tax cap, which became law in July, 2011. As the district prepared the FY2014 budget, it became evident that an unintended consequence of the recently adopted cap would allow them to raise fewer tax dollars than the year before. The tax cap approved by the District requires that the recommended budget "shall not exceed the local taxes raised for the prior year" by more than 2%. At the heart of the matter was a \$700,000 surplus in FY 2013 which the district chose to use to offset the tax rate rather than encumber and spend the surplus dollars. Had they spent the surplus, there would be no need for this bill, but they did not. Because the tax cap applies to taxes "raised", the recommended budget would have to be \$700,000 less than what was actually spent the previous year. While the school district agreed that they adopted the cap to control budgetary growth, they did not adopt it to force additional mandatory cuts. The previous year's budget was cut ten percent with a reduction of 15.3 teachers. Then with a mild winter, bids on many commodities, including electricity, the district had a large surplus, but could not absorb the loss of additional tax revenue without significantly damaging student programming. The committee heard testimony that a bill to find a permanent change for this unintended consequence of the cap was filed for the upcoming session. As a result, this bill would be needed once for this one school district. Based on extensive testimony the committee felt an exemption for FY2014 should be passed because no school district should be penalized by a recently discovered flaw in new legislation.
