LEGISLATIVE ETHICS COMMITTEE

The Legislative Ethics Committee has voted to issue the following advisory opinion, which is printed below in its entirety.

**Advisory Opinion 2015-1
Response to a Request for an Advisory Opinion
from Senator Dan Feltes and Senator Donna M. Soucy
(June 3, 2015)**

Senator Dan Feltes and Senator Donna M. Soucy have sought an Advisory Opinion about whether acceptance of payment for the costs of travel, lodging, and meals related to a proposed trip to Israel, sponsored by the American Israel Education Foundation (AIEF), will qualify for exemption from the prohibition on "Gifts" under RSA 15-B:3, as "Expense Reimbursement" under RSA 15-B:5.

According to a memorandum and an agenda submitted by AIEF, the purpose of the trip is to attend an educational seminar comprised of "meetings, briefings and site visits that highlight the vital importance of the US-Israel relationship." The educational seminar would be structured to showcase Israeli approaches to issues that are relevant to the State of New Hampshire, such as public health care, homeland and border security, law enforcement in a democratic society, protecting civil liberties, information-based economic development, comparative democracy, renewable energy, water conservation, comparative business-labor relations, the role of first responders, and the preservation of historical and natural landmarks.

Based on the information provided by Sen. Feltes and Sen. Soucy about the trip's purpose and activities, acceptance of the payment of expenses associated with the trip would qualify for the exemption. See Interpretive Ruling 2013-1.

The Senators must report their attendance in accordance with RSA 15-B:6.

We appreciate the opportunity to be of assistance.

For the Committee,
Donna Sytek
Chairman

2015 HOUSE COMMITTEE OF CONFERENCE PROCEDURES

The Chairmen of the policy committees will receive bills amended by the Senate and should check with their committees to determine whether to recommend that the House concur, nonconcur, or nonconcur and request a Committee of Conference.

When a committee requests that the bill be sent to a Committee of Conference, the Chairman will recommend members for appointment. If the bill has gone to more than one committee, the members may come from the different committees as determined by the Speaker. Chairmen should recommend only those members from their policy committees. The Speaker shall make the final decision of conference committee members, and the committee choices are generally limited to those who support the House position.

The **first-named House member shall serve as Chairman of the House Conferees**. For House bills in Committee of Conference, **the House Conferee Chairman shall set the time and place of the first meeting with the Clerk's Office** and shall chair each meeting of the Committee of Conference. **Each meeting shall be posted in the Clerk's Office and outside the committee room at least 24 hours in advance.** [House Rule 43 (c)]. If a Committee of Conference meeting recesses, **the reconvening time shall be posted in the Clerk's office and outside the committee room.**

The House and Senate Conferees on a bill shall meet jointly but vote separately while in conference.

The Committee of Conference may not change the title of the bill. The Committee also may not add amendments that are not germane to the subject matter of the bill or contain subject matter that has been indefinitely postponed. A nongermane amendment is one in which the subject matter is not contained in either the House or Senate version of the bill. [House Rule 49 (g)]

The sponsor of a bill that is in Committee of Conference shall, upon request, be provided an opportunity to be heard.

A unanimous vote of both the House and Senate Conferees, voting separately, is necessary for an agreed upon report to be sent to the House and Senate.

Reports of all Committees of Conference must be filed with the Office of Legislative Services by the June 18, 2015 deadline adopted by the House. All Committee of Conference members must sign their reports in the Office of Legislative Services by June 18, 2015 by 4:00 p.m.

The first-named House member on all bills in Committee of Conference must prepare an analysis of the report. This "blurb" should contain a complete explanation of all changes made to the bill since it was passed by the House and must be submitted to the House Clerk for printing in the calendar.

Representative Dick Hinch will be the liaison between the Speaker's Office, Clerk's Office and the Committee of Conference Chairs.

All Committee of Conference reports shall be distributed in seat pockets to be acted on some subsequent day. [House Rule 49 (f)].

*See House Rule 49 for more information.
