HOUSE CALENDAR

MEMBERS OF THE HOUSE:

I would like to remind legislators and staff that RSA 14-C, the ethics law which became effective in December of 2016, made some changes to our ethics provisions, including a requirement to report attendance at conferences (such as NCSL and CSG) by filing the "Honorarium or Expense Reimbursement" form if anything was received with a value over \$50 which was prepaid, free, or reimbursed from any source, including the NH General Court or the organization. (Prior to the 2016 law, there was a specific exception whereby members/staff were not required to report an expense reimbursement/stipend from an organization, such as NCSL and CSG, to which the General Court pays dues OR to report reimbursements/prepaid expenses from the NH General Court, the state, a country, or the federal government.) **If there are recent conference attendees who have received stipends or are being reimbursed from the state for registration, hotel, travel, etc., please be aware that you are required to file.** The deadline for this filing is the end of the month following the month during which the expense reimbursement was received. A conference agenda must also be attached. Forms can be picked up at the Secretary of State's Office or the Speaker's Office.

Until the end of the year, legislative mileage to Concord will be allowed for Tuesdays, Wednesdays, and Thursdays unless prior approval has been received from the Speaker or if you are a member of a statutory committee that meets on Mondays or Fridays.

Shawn N. Jasper, Speaker

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 86

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 10, 2017, I have vetoed House Bill 86, relative to voting on variances.

Current law allows zoning boards to take one vote that covers all five criteria for granting a variance, a streamlined procedure which many boards have chosen to utilize. House Bill 86 would remove this option and require that every zoning board in the state take separate votes on each of the five variance criteria. Such a mandate needlessly imposes on local control and is inconsistent with my commitment to remove excess regulation and streamline development and economic growth. If a community wishes to require its zoning board to take a separate vote on each of the five variance criteria, that community may do so by including that requirement in its own zoning ordinance.

For the reasons stated above, I have vetoed House Bill 86.

Respectfully submitted,
 Christopher T. Sununu, Governor
 Date: July 10, 2017

NOTICE

Legislative Ethics Committee

The Legislative Ethics Committee has voted to issue the following interpretive ruling, which is printed below in its entirety.

INTERPRETIVE RULING 2017-2

(September 6, 2017)

The Committee has received an inquiry regarding whether legislative employees are required to report reimbursement received from the General Court to cover expenses related to completing continuing education courses related to their position with the legislature. Examples of such continuing education courses include programs related to maintaining a registered nurse license for a position as State House Nurse and continuing legal education courses (CLE's) required to maintain active member status in the NH Bar for an employee who is an attorney with the legislature. The Committee adopts the following Interpretive Ruling pursuant to RSA 14-B:3, I (b).

Relevant Provision of Applicable Ethics Guidelines

Ethics Guidelines, Section 8, III Permitted Activities. The activities listed in this paragraph are permitted.

(c) Acceptance of expense reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or informational program related to the legislative employee's or officer's employment so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in a form prescribed in RSA 14-C. (Emphasis added)

The Committee Responds as follows:

A legislative employee who receives reimbursement from the General Court for expenses related to completion of continuing education programs which are related to the employee's position with the legislature must report receipt of the reimbursement on the "Honorarium or Expense Reimbursement Report," as prescribed by RSA 14-C:4.

For the Committee,
 Donna Sytek, Chairman
 [Vote: 7-0]
