HOUSE CALENDAR

MEMBERS OF THE HOUSE:

For planning purposes, the House will meet on Thursday, November 2nd at 1:00 p.m. to act on the Governor's veto of House Bill 86. In accordance with Part II, Article 15 of the NH Constitution, there will be no mileage paid for attending the House session. However, a continuing education program for members has been scheduled for 10:00 that morning in Representatives Hall. The topic will include an overview of the legislative process in the second year of a biennium, and mileage will be paid for attending this program.

Following the devastation caused by the recent hurricanes and the horrific tragedy in Las Vegas, it is almost impossible to express our feelings into words. Our hearts go out all those who have been affected by these disasters and we extend our deepest condolences to the families and friends of those who lost their lives or were so badly injured. It is always comforting to be reminded how resilient we are in the face of tragedy and how people always pull together. For those legislators and staff who participated in the food and water drive on the State House Plaza to aid Puerto Rico this week, thank you so much. Results from our fellow Granite Staters surpassed expectations, and I am proud, but not surprised, that so many of our New Hampshire citizens joined in this humanitarian effort.

On a final note, I would like to pay tribute to Representative Donald Flanders who passed away last week. A long-time member of the Committee on Commerce and Consumer Affairs, Representative Flanders was serving his seventeenth year in the House. He also served on various boards and commissions over the years in his home city of Laconia. Quiet and humble, Representative Flanders was highly respected in the insurance field, both locally and nationally. His expertise will be greatly missed by his committee and by the Legislature as a whole. We appreciate his decades of service to our state and will continue to keep Representative Flanders and his family in our thoughts.

Shawn N. Jasper, Speaker

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 86

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 10, 2017, I have vetoed House Bill 86, relative to voting on variances.

Current law allows zoning boards to take one vote that covers all five criteria for granting a variance, a streamlined procedure which many boards have chosen to utilize. House Bill 86 would remove this option and require that every zoning board in the state take separate votes on each of the five variance criteria. Such a mandate needlessly imposes on local control and is inconsistent with my commitment to remove excess regulation and streamline development and economic growth. If a community wishes to require its zoning board to take a separate vote on each of the five variance criteria, that community may do so by including that requirement in its own zoning ordinance.

For the reasons stated above, I have vetoed House Bill 86.

Respectfully submitted,
 Christopher T. Sununu, Governor

Legislative Ethics Committee

The Legislative Ethics Committee has voted to issue the following interpretive ruling, which is printed below in its entirety.

INTERPRETIVE RULING 2017-1

(September 13, 2017)

Representative Shawn N. Jasper, Speaker of the House, has requested an Interpretive Ruling on the following question:

“Is it permissible for a member of the General Court to accept free legal services in relation to a matter pending before a House or Senate committee or the Legislative Ethics Committee?”

The Committee responds as follows:

While the Ethics Guidelines and RSA 14-C do not provide an explicit exception to the gift prohibition for free legal services, the purpose of the chapter is not violated by accepting such services under certain conditions.

A legislator may accept free legal services for a matter before a legislative committee, when the attorney has no expectation of accruing some benefit from such assistance and the free services would not predispose the recipient to a sense of obligation or favoritism regarding an issue before the legislature.

Relevant Provisions of Applicable Law

14-C:1 Purpose. The purpose of this chapter is to ensure that persons charged with carrying out the duties and activities of the legislative branch of state government do so in an atmosphere that supports the independent judgment of such persons and minimizes the opportunity for inappropriate influence by persons or organizations subject to or likely to become subject to or interested in any matter or action pending in the legislative branch. To that end, this chapter defines gifts that may not be given to, solicited by, or accepted by persons subject to the provisions of the chapter and establishes requirements for the reporting of honorariums, expense reimbursements, and certain other receipts. This chapter shall be liberally construed to effect this purpose.

RSA 14-C:2 Definitions – In this chapter:

* * *

IV (a) “Gift” means:

- (1) Money in any amount, whether in the form of cash, check or any other negotiable or non-negotiable instrumentality for the transfer of money.
- (2) Any other tangible thing, intangible thing, service, or the use thereof having an individual value of greater than \$50.

(3) Multiple tangible things, intangible things, services, or the use thereof having an individual value \$50 or less with an aggregate value greater than \$250 from any single source during any calendar year.

RSA 14-C: 3 Prohibition on Gifts; Duty to Report

* * *

III. It shall be unlawful for any legislator or legislative employee to solicit or to knowingly accept, directly or indirectly, any gift, as defined in this chapter, or to fail to meet the reporting requirements of this chapter.

Ethics Guidelines, Section 3, Prohibited Activities.

* * *

II. Legislators shall not solicit, accept, or agree to accept anything of value from another for themselves or other persons, if the legislator receives such thing of value:

(a) Knowing or believing the other's purpose to be the influencing of an action, decision, opinion, recommendation, or other official activity.

(b) Knowing or believing that the giver is or is likely to become subject to or interested in any matter or action pending before or contemplated by the legislator or the General Court.

Ethics Guidelines, Section 4, Permitted Activities; Permitted Gifts.

I. Nothing in section 3, Prohibited Activities, shall be construed to prohibit the following:

* * *

(h) Acceptance of anything permitted to be accepted pursuant to RSA 14-C.

Committee Analysis

Uncompensated, or so-called pro bono, legal services provided by an attorney would in all likelihood have monetary value exceeding \$50 and -- absent an explicit exception to the statutory prohibition in RSA 14-C -- would constitute a prohibited gift if a strict interpretation of the statute were applied. However, the statutory provisions must be read and interpreted in the context of the purpose of the prohibition -- "to ensure that persons ... carrying out the duties and activities of the legislative branch do so in an atmosphere that supports the independent judgment of such persons and minimizes the opportunity for inappropriate influence by persons ... subject to or likely to be subject to or interested in any matter or action pending in the legislative branch" -- and the statutory instruction to construe the law liberally to effect the purpose of the statute.

The questions are whether free professional legal services benefiting the legislator on an individual basis would predispose the recipient to a sense of obligation or favoritism regarding an issue before the legislature, or whether the rendering of such legal services should be viewed as an attempt by an attorney to curry favor improperly with the legislator. In many instances they would not. In those circumstances in which free services are offered by an attorney who is not a registered lobbyist and has no matters before the Legislature from which he or she personally could benefit, the free legal services would not violate the intent and purpose of the statute.

This reasoning can apply to matters involving complaints before the Legislative Ethics Committee, when legal services are provided to an individual, or in relation to a matter pending before a legislative committee where the services are provided for the benefit of the public or the legislative process generally.

This is not to say that there could and likely will be instances where providing free legal services to a legislator would be a prohibited gift under RSA 14-C. Members are cautioned that under some circumstances accepting free legal services from an attorney the legislator knows has active business before the general court, and who is providing services with the hope of influencing the legislator's future actions on pending matters, could violate the gift ban. A hypothetical example that readily comes to mind is where a lawyer is a registered lobbyist, provides free legal services for a legislator, and has several bills before the committee on which that legislator serves and on which that legislator will vote in the near future. Under those circumstances, the committee could very well find that the acceptance of free legal services constitutes a prohibited gift.

In specific cases, if there is doubt about whether a proposed offer of free legal services constitutes a violation of the gift prohibition, a legislator, legislative officer, or legislative employee should request an Advisory Opinion from the Committee. RSA 14-B:3, I (c).

The Committee encourages the General Court to review the issues raised in this ruling and to determine whether any changes to RSA 14-C and the Ethics Guidelines would be appropriate to clarify whether and under what conditions legislators may accept free legal services.

For the Committee,
Donna Sytek, Chairman

[Vote: 6-1]
