HOUSE CALENDAR

MEMBERS OF THE HOUSE:

The House will meet on Thursday, November 2nd at 1:00 p.m. to act on the Governor's veto of House Bill 86. In accordance with Part II, Article 15 of the NH Constitution, there will be no mileage paid for attending the House session. Originally a continuing education program was going to be offered in the morning, but to strictly follow Part II, Article 15 as it was written, mileage will NOT be paid even if there are other legislative activities going on. Therefore, we have decided to cancel the continuing education program for that day. I apologize for our earlier misinterpretation but hope you will still make a strong effort to attend the veto session.

As a reminder, the deadline for signing off LSRs is Friday, October 27th at 4:00 p.m. The Office of Legislative Services (OLS) will continue to enforce the 10-day sign-off deadline regarding bills and redrafts as contained in House Rule 38. Please note that **ALL** co-sponsors must also sign off within the same 10-day period, which is 10 calendar days after the draft legislation is mailed to the sponsor for approval. All members who are sponsoring or co-sponsoring a bill may sign off on draft legislation by any of the following methods: (1) returning a signed hard copy of the bill signoff sheet to OLS via the postage paid envelope provided when the draft copy of the legislation was mailed to the prime sponsor; (2) visiting OLS in person; (3) calling OLS at 271-3435; or (4) emailing OLS with language noting the approval of the draft bill with the LSR number.

Legislative mileage to Concord will be allowed for Tuesdays, Wednesdays, and Thursdays for the remainder of the year unless prior approval has been received from the Speaker or if you are a member of a statutory committee that meets on Mondays or Fridays.

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 86

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 10, 2017, I have vetoed House Bill 86, relative to voting on variances.

Current law allows zoning boards to take one vote that covers all five criteria for granting a variance, a streamlined procedure which many boards have chosen to utilize. House Bill 86 would remove this option and require that every zoning board in the state take separate votes on each of the five variance criteria. Such a mandate needlessly imposes on local control and is inconsistent with my commitment to remove excess regulation and streamline development and economic growth. If a community wishes to require its zoning board to take a separate vote on each of the five variance criteria, that community may do so by including that requirement in its own zoning ordinance.

For the reasons stated above, I have vetoed House Bill 86.

Respectfully submitted,
 Christopher T. Sununu, Governor
 Date: July 10, 2017

NOTICE

LEGISLATIVE ETHICS COMMITTEE

The Legislative Ethics Committee has voted to issue the following advisory opinion, which is printed below in its entirety.

Advisory Opinion 2017-2 Response to a Request for an Advisory Opinion from Representative J.R. Hoell (October 6, 2017)

Representative J.R. Hoell has submitted a request for an Advisory Opinion concerning the requirements for reporting sources of income in excess of \$10,000 in the Financial Disclosure Form. Specifically, Representative Hoell asked:

“How do private company owners comply with this reporting requirement? For example, if a couple jointly owns a private firm (Corporation, LLC or sole proprietorship), is the reporting requirement for the money taken as salary from the company or is the reporting requirement for any contracts that the firm has with its customers? Said another way, does a firm need to report the customer list if the firm is owned entirely by members of the household?”

The Committee responds as follows:

With respect to Section I of the Financial Disclosure Form:

A legislator who owns a private company from which the legislator received gross income in excess of \$10,000 in the preceding calendar year is required to identify only the company the legislator owns.

A legislator is not required to disclose the identity of any customer with whom the legislator's company has a contract or other customer relationship -- even if the legislator received in excess of \$10,000 from the customer.

With respect to Section II of the Financial Disclosure Form:

If a legislator's relationship with a customer creates a “financial interest,” the legislator is required to identify and describe that interest in Section II of the Financial Disclosure Form.

Committee Analysis

Every legislator is required to file a Financial Disclosure Form with the Legislative Ethics Committee annually on or before the third Friday of January. (See RSA 14-B:8 and Ethics Guidelines Section 5.) The form consists of two sections.

Section I, “Sources of Income,” requires legislators to identify sources from which a legislator or a household member received income in excess of \$10,000 during the prior calendar year. The sources include “any business, profession, or other organization (including any unit of government)” in which a legislator or legislator's household member was “an employee, officer, director, associate, partner, or proprietor, or served

in any other professional or advisory capacity" (emphasis supplied). A legislator who owns a private company, such as a corporation, limited liability company (LLC), or sole proprietorship, is required to identify the company if he or a household member draws gross income in excess of \$10,000 from the company. The legislator is not required to disclose the identity of any customer with whom the legislator's company has a contract or other customer relationship -- even if the legislator received income in excess of \$10,000 from the customer.

Sources of retirement benefits exceeding \$10,000 from any business, professional, or other organization must be included, but Social Security, federal retirement and/or federal disability benefits do not need to be included. The sources of income a legislator is required to report do not include securities, such as stocks, bonds, and similar financial instruments.

Section II, "Disclosure of Financial Interests," requires legislators to identify and describe any financial interest a legislator or a household member may have in certain businesses, professions, occupations, groups, or matters. The so-called "checklist" lists categories such as health care, the practice of law, banking or financial services, education, and any business regulated by the Public Utilities Commission. A legislator is considered to have a "financial interest" in one of the businesses, professions, occupations, groups, or matters listed in the checklist if a change in law, administrative rule, or other official action by the General Court affecting a checklist item would potentially have a financial effect on the legislator or a household member that is distinct from and greater than the interests of the public at large.

Depending on the circumstances, a legislator may have a financial interest that is independent of that of his client or customer, i.e., even if legislation benefits or adversely affects his client, the legislator gets paid the same. In this case, the legislator would not need to check off the client's type of business on the checklist.

In some cases, however, the legislator's financial interest is tied to those of his client, as when the legislator is paid on commission or bonus for accomplishing a client's goals. In this situation, the legislator should check off the appropriate category on the checklist and identify and describe his financial interest.

In specific cases, if there is doubt about whether a legislator's relationship with a customer creates a financial interest, the legislator should request an Advisory Opinion from the Committee. RSA 14-B:3, I (c).

We appreciate the opportunity to be of assistance.

For the Committee,
Donna Sytek
Chairman

On **Saturday, October 21st** the NH Timber Harvesting Council (NHTHC) will be celebrating its 25th anniversary in West Lebanon at the Annual Loggers and Truckers Convention. The members of the NHTHC and its co-sponsors, the University of New Hampshire Cooperative Extension, Thompson School of Applied Science and the New Hampshire Timberland Owners Association (NHTOA) are extending a complimentary invitation to you and a guest to join us for this celebration. This year's event starts at **12:00 p.m.** with lunch and a tour of one of New Hampshire's largest (30 million board feet) eastern white pine sawmills, Durgin and Crowell Lumber Co., Inc., located in Springfield. Following lunch there will be a tour of the sawmill, its new wood pellet plant, and, if time permits, Springfield Power, a 16-megawatt biomass power plant. After the tours, the annual Loggers and Truckers Convention banquet, awards/graduation ceremony, raffle and auction will begin at 5:00 p.m. at the Fireside Inn in West Lebanon. This event is a great opportunity to meet the men and women who work in New Hampshire's forests, learn more about this important industry, and, most importantly, recognize the achievements of the loggers and truckers who have completed the required coursework for certification or recertification in the NH Professional Loggers Program. To register for this event, please call the NHTOA office at (603) 224-9699.
