HOUSE CALENDAR

MEMBERS OF THE HOUSE:

The next House session will be on **Wednesday, May 23rd, at 10:00 a.m.** If action on committee of conference reports is not completed by the 23rd, the House will also meet on Thursday, May 24th.

During the summer months, there will be several projects going on at the State House involving repair and general upkeep. This work will proceed more smoothly and safely with as little traffic in the building as possible. Therefore, in keeping with past practice, there will be no legislative activity or mileage reimbursement between June 11th and August 27th, unless special circumstances arise and pre-authorization is granted. If you are a member of an ongoing statutory committee that meets regularly, mileage will be allowed for attending those meetings.

As most of you are aware, Larry Krupnik, our loyal friend and dedicated Protective Services Officer, passed away this week. Underneath Larry's upbeat personality and relaxed demeanor was a no-nonsense, street-smart officer with decades of experience in law enforcement. Larry's passing has already left a void at the State House, and he will continue to be missed by me and everyone who knew him. We extend our thoughts, prayers, and deepest condolences to his family.

Please note that state offices will be closed on Monday, May 28th, in observance of Memorial Day.

Gene G. Chandler, Speaker

NOTICE

2018 HOUSE COMMITTEE OF CONFERENCE PROCEDURES

The Chairmen of the policy committees will receive bills amended by the Senate and should check with their committees to determine whether to recommend that the House concur, non-concur, or non-concur and request a Committee of Conference.

When a committee requests that the bill be sent to a Committee of Conference, the Chairman will recommend members for appointment. If the bill has gone to more than one committee, the members may come from the different committees as determined by the Speaker. Chairmen should recommend only those members from their policy committees. The Speaker shall make the final decision of Conference committee members, and the committee choices are generally limited to those who support the House position.

The first named House member shall serve as Chairman of the House Conferees. For House bills in Committee of Conference, **the House Conferee Chairman shall set the time and place of the first meeting with the Clerk's Office** and shall chair each meeting of the Committee of Conference. **The first meeting shall be posted in the Clerk's Office and outside the committee room at least 24 hours in advance.** If a Committee of Conference meeting recesses, **the reconvening time shall be posted in the Clerk's office and outside the committee room with at least 12 hours' notice.** [House Rule 49 (c)].

The House and Senate Conferees on a bill shall meet jointly but vote separately while in conference.

The Committee of Conference may not change the title of the bill. The Committee also may not add amendments that are not germane to the subject matter of the bill or contain subject matter that has been indefinitely postponed. A non-germane amendment is one in which the subject matter is not contained in either the House or Senate version of the bill. [House Rule 49 (g)]

The sponsor of a bill that is in Committee of Conference shall, upon request, be provided an opportunity to be heard.

A unanimous vote of both the House and Senate Conferees, voting separately, is necessary for an agreed upon report to be sent to the House and Senate.

Reports of all Committees of Conference must be filed with the Office of Legislative Services by the May 17, 2018 deadline adopted by the House. All Committee of Conference members must sign their reports in the Office of Legislative Services by May 17, 2018 by 4:00 p.m.

The first-named House member on all bills in Committee of Conference must prepare an analysis of the report. This "blurb" should contain a complete explanation of all changes made to the bill since it was passed by the House and must be submitted to the House Clerk for printing in the calendar.

All Committee of Conference reports shall be distributed in seat pockets to be acted on some subsequent day. [House Rule 49 (f)].

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 143

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on March 30th, 2018, I have vetoed House Bill 143, relative to recommittal of a prisoner by the Parole Board.

Current law provides that when a prisoner who is out on parole has their parole revoked, that prisoner must be recommitted for at least 90 days. RSA 651-A:19, VII allows the Parole Board to impose a term of recommittal of less than 90 days under certain conditions, including situations where the Parole Board determines that a lesser period of recommittal will aid in the rehabilitation of the parolee. House Bill 143 would expand these conditions by allowing the Parole Board to impose a recommittal period of less than 90 days for a prisoner who enters and successfully completes a residential substance abuse treatment program deemed acceptable by the Board.

While based on good intentions, this bill will have concerning consequences. It does not distinguish between individuals who have committed a crime related to substance abuse and those who have committed an unrelated crime. The bill also does not require the Parole Board to determine that a shorter recommittal period is necessary to assist a prisoner with their recovery efforts.

I fully support efforts to reduce recidivism among those suffering from substance abuse disorders by ensuring that such individuals have access to treatment. However, current law already gives the Parole Board the option of imposing shorter recommittal periods if they determine it will aid in the parolee's rehabilitation. Importantly, those who are incarcerated have access to many of the same treatment programs as those who are not.

It is concerning that there is strong opposition to this bill by law enforcement and at the same time, there are members of the recovery community who still have questions about its impacts. This only reinforces the conclusion that more due diligence is needed before we change current law.

For the reasons stated above, I have vetoed House Bill 143.

Respectfully submitted,
Christopher T. Sununu Governor
