HOUSE CALENDAR

MEMBERS OF THE HOUSE:

As we phase into the summer break, I want to take this opportunity to thank all of you for making this such a positive and productive session. Because of your participation, the legislative process went smoothly and deadlines were met on time. For those of you who will not be returning, I want to thank you for your service and wish you the very best in your next endeavors.

As previously noted, there will be no legislative activity or mileage reimbursement between June 11th and August 27th, unless special circumstances arise and pre-authorization is granted. If you are a member of an ongoing statutory committee that meets regularly, mileage will be allowed for attending those meetings.

State offices will be closed on Monday, May 28th, in observance of Memorial Day. As we honor all our men and women in the military who died serving their country, we need to make sure that future generations understand the true meaning of Memorial Day. As for our military personnel who are currently stationed all over the world, they will continue to remain in our thoughts and prayers.

Gene G. Chandler, Speaker

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 143

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on March 30th, 2018, I have vetoed House Bill 143, relative to recommitment of a prisoner by the Parole Board.

Current law provides that when a prisoner who is out on parole has their parole revoked, that prisoner must be recommitted for at least 90 days. RSA 651-A:19, VII allows the Parole Board to impose a term of recommitment of less than 90 days under certain conditions, including situations where the Parole Board determines that a lesser period of recommitment will aid in the rehabilitation of the parolee. House Bill 143 would expand these conditions by allowing the Parole Board to impose a recommitment period of less than 90 days for a prisoner who enters and successfully completes a residential substance abuse treatment program deemed acceptable by the Board.

While based on good intentions, this bill will have concerning consequences. It does not distinguish between individuals who have committed a crime related to substance abuse and those who have committed an unrelated crime. The bill also does not require the Parole Board to determine that a shorter recommitment period is necessary to assist a prisoner with their recovery efforts.

I fully support efforts to reduce recidivism among those suffering from substance abuse disorders by ensuring that such individuals have access to treatment. However, current law already gives the Parole Board the option of imposing shorter recommitment periods if they determine it will aid in the parolee's rehabilitation. Importantly, those who are incarcerated have access to many of the same treatment programs as those who are not.

It is concerning that there is strong opposition to this bill by law enforcement and at the same time, there are members of the recovery community who still have questions about its impacts. This only reinforces the conclusion that more due diligence is needed before we change current law.

For the reasons stated above, I have vetoed House Bill 143.

Respectfully submitted,
Christopher T. Sununu Governor
