GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 143

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on March 30th, 2018, I have vetoed House Bill 143, relative to recommitment of a prisoner by the Parole Board.

Current law provides that when a prisoner who is out on parole has their parole revoked, that prisoner must be recommitted for at least 90 days. RSA 651-A:19, VII allows the Parole Board to impose a term of recommitment of less than 90 days under certain conditions, including situations where the Parole Board determines that a lesser period of recommitment will aid in the rehabilitation of the parolee. House Bill 143 would expand these conditions by allowing the Parole Board to impose a recommitment period of less than 90 days for a prisoner who enters and successfully completes a residential substance abuse treatment program deemed acceptable by the Board.

While based on good intentions, this bill will have concerning consequences. It does not distinguish between individuals who have committed a crime related to substance abuse and those who have committed an unrelated crime. The bill also does not require the Parole Board to determine that a shorter recommitment period is necessary to assist a prisoner with their recovery efforts.

I fully support efforts to reduce recidivism among those suffering from substance abuse disorders by ensuring that such individuals have access to treatment. However, current law already gives the Parole Board the option of imposing shorter recommitment periods if they determine it will aid in the parolee's rehabilitation. Importantly, those who are incarcerated have access to many of the same treatment programs as those who are not.

It is concerning that there is strong opposition to this bill by law enforcement and at the same time, there are members of the recovery community who still have questions about its impacts. This only reinforces the conclusion that more due diligence is needed before we change current law.

For the reasons stated above, I have vetoed House Bill 143.

Respectfully submitted,
Christopher T. Sununu Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1736

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 29th, 2018, I have vetoed House Bill 1736, relative to increasing the threshold required for governor and council approval of expenditures from the dam maintenance fund.

Under current law, governor and council approval is required for all expenditures from the dam maintenance fund that are made for repair projects. RSA 482:54, VI currently defines repair as “performance of intermediate amounts of work on a portion of a structure or associated property on an occasional basis with costs not exceeding \$75,000.” House Bill 1736 would amend the definition of repair so that it only includes work with a cost in excess of \$150,000, thus increasing the threshold for governor and council approval from \$75,000 to \$150,000.

The governor and council, the only popularly elected executive branch officials, play a key role in overseeing the fiscal management of the executive branch and expenditure of taxpayer dollars. Because increasing the threshold for governor and council approval directly affects the governor and council’s ability to discharge their fiscal management and oversight duties delegated by Part II, Article 56 of the New Hampshire Constitution, I am concerned that councilors were not consulted as this bill went through the legislative process. In addition, I have seen no compelling evidence that the current thresholds, and the need to seek governor and council approval, has created any administrative difficulties for the department of environmental services. New Hampshire’s proud tradition of careful fiscal management counsels against reducing popularly elected officials’ oversight of expenditures of taxpayer dollars absent a compelling justification.

For the reasons stated above, I have vetoed House Bill 1736.

Respectfully submitted,
Christopher T. Sununu, Governor
