HOUSE CALENDAR

MEMBERS OF THE HOUSE:

The House will meet on **Wednesday, January 8, 2020, at 10:00 a.m.** and also on **Thursday, January 9, 2020 at 10:00 a.m.** Please also hold Thursday, January 16th open for a possible session day as well.

Recently, there have been several very disappointing social media posts from members on both sides of the aisle of the New Hampshire House. I remind members that you should not be writing or saying anything in a public venue that you would not be proud to read from the well of the House, especially if you choose to use your legislative title. This autumn, I attended a leadership seminar at the Lincoln Institute in Gettysburg, Pennsylvania. While there, I thought a lot about our beloved 16th President, Abraham Lincoln, who is reported to have said, "Better to remain silent and be thought a fool than to speak and remove all doubt." These words are just as important today as they were over 150 years ago. We must never forget that one of our primary responsibilities as State Representatives is to maintain the integrity and dignity of the New Hampshire House.

The House and Senate will assemble in Joint Convention for Governor Sununu to deliver his State of the State Address on Thursday, February 6, 2020, at 10:00 a.m.

For future planning, please note that state offices will be closed in observance of Martin Luther King, Jr., on Monday, January 20th, as well as Monday, February 17th in observance of Presidents' Day. There will also be no legislative activity scheduled for New Hampshire Primary Day, Tuesday, February 11th. We are not planning session during the winter break week of February 24th through the 28th; however, committees may choose to meet at the discretion of the chair.

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 226

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on September 27, 2019, I have vetoed House Bill 226, relative to the renomination of teachers.

New Hampshire is fortunate to have thousands of talented and dedicated teachers working to provide our students with excellent educations. Like all of us, teachers must be accountable to school officials, and ultimately to parents.

HB 226 reverses the groundbreaking teacher tenure reforms passed by the Legislature eight years ago. These reforms gave young teachers time to learn on the job before local districts had to make a long-term decision to keep them. This increased the ability of local school boards to replace low-performing teachers with better ones.

HB 226 would not only undo these reforms, but effectively create tenure protection after just two years on the job. This is simply not enough time for local officials to know if new teachers are the right fit for their schools.

For the reasons stated above, I have vetoed House Bill 226.

Respectfully submitted,
Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 315

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on September 27th, 2019, I have vetoed House Bill 315, relative to the Interstate Voter Registration Crosscheck Program and the accuracy and efficiency of voter registration systems.

House Bill 315 would impose unreasonable restrictions on the Secretary of State's ability to determine the best voter registration information sharing arrangement for our state. New Hampshire should maintain the Secretary of State's flexibility on this issue and trust him to make the best decision for the people of New Hampshire, as he has done for over 40 years.

I would have supported the bill as passed by the House, which would have removed the requirement that the Secretary of State enter into the Interstate Voter Registration Crosscheck program, but preserved the Secretary's ability to enter into arrangements as he sees fit.

For the reasons stated above, I have vetoed House Bill 315.

Respectfully submitted,
Christopher T. Sununu, Governor

CORRECTED COMMITTEE REPORTS

CRIMINAL JUSTICE

HB 687-FN, relative to extreme risk protection orders. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill was filed to create a new kind of court order called an “Extreme Risk Protection Order” (ERPO). ERPO’s, currently law in 17 other states and Washington, DC, are designed to temporarily limit a person’s access to firearms if they pose a serious risk of using them to harm themselves or others. This bill was written with input from a broad coalition of stakeholders from around the state. Stakeholders included concerned legislators, NAMI NH, the NH Coalition Against Domestic and Sexual Violence, and parents of young adults who had exhibited warning signs that they posed a significant risk of causing personal injury to themselves or others, and for when those parents and local law enforcement found themselves powerless to do anything to prevent the young adults’ suicide. Under the bill, law enforcement officers and family or household members who recognize warning signs of danger could enlist the help of a court by filing a petition asking the court to issue an ERPO. The procedure for seeking an ERPO is closely modeled after NH’s existing domestic violence protection order law (RSA 173-B), but is different in that it is a civil, not criminal court order, one that focuses solely on limiting a person’s access to firearms. ERPO’s are meant to provide a tool for law enforcement and family members to address dangerous situations where gaps in current law prevent them from doing so.

Rep. Nancy Murphy

Statement in support of Inexpedient to Legislate: Members of the committee supporting a recommendation of Inexpedient to Legislate do so for a number of reasons centering on concerns that the procedures in the bill do not provide a citizen with an opportunity to respond to the accusations that the person is a risk to himself/herself or other persons and they believe the bill violates the Second, Fourth and Fifth Amendment rights of Granite Staters. Some members of the public who contacted the committee to oppose HB 687 were particularly concerned that the bill allowed ex-parte hearings, to be conducted over the telephone. Some believe the process may be abused by disgruntled relatives (because HB 687 includes a broad definition of family member) who have grudges and are willing to use the courts and law enforcement officers to settle a grudge. Some believe HB 687 allows guns to be confiscated before the accused gun owner has an opportunity to attend a hearing and explain to the court why his or her guns should not be confiscated. Even if the gun owner does attend the hearing and wins, the financial cost of competent legal counsel could very well devastate the gun owner. Concerns were also raised that law enforcement agencies can charge a fee for storage of firearms and cannot be held liable for any damage to said firearms.

Rep. John Burt

TRANSPORTATION

HB 317, relative to tinted windows on motor vehicles. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE**

Rep. Steven Smith for the **Majority** of Transportation. This bill would have removed the prohibition on after market window tint on the front side windows of a vehicle. The committee amendment specifies that the tint can not make the window darker than what is currently deemed safe by the National Highway Traffic Safety Administration, and currently legal in New Hampshire when applied by the automobile manufacturer. **Vote 13-4.** Rep. Suzanne Vail for the **Minority** of Transportation. The minority opinion is to support our State Troopers and police officers who have testified that tinted windows limits their vision into the vehicle during traffic

stops. This creates a hazard to the police officers and to persons in the vehicle and creates a safety hazard for all involved. Current state law already allows persons with medical conditions to apply to the Division of Motor Vehicles for stronger tint or clear UV (ultra violet) window cover. Therefore, the minority believes current law is adequate for the safety of our police officers, vehicle occupants, and the general public.

Constituents want to reduce, reuse and recycle more, especially plastics, and need guidance. Solid waste issues touch every part of our society. Other states innovate and NH hasn't had a solid waste plan since 2003.
