HOUSE CALENDAR

MEMBERS OF THE HOUSE:

I am excited to announce that the House will hold its first remote executive session this week on Thursday, April 30th. The House has purchased a Zoom Webinar system that we feel will suit our needs. We know that members will have lots of questions about the process and that it will take time for all of us to adjust. Rest assured that we will work with each and every member to make sure they feel comfortable with the technology and that we will take our time with each step in the process. Finance will be our first committee to meet, and assuming that everything goes well, we will start to incorporate other committees that have currently listed executive sessions.

Please note the following protocols for handling amendment requests in our remote environment: All requests for amendment drafting must be made via the askOLS@leg.state.nh.us email address. Only members of the committee (or staff) where a particular bill is to be exec'd may request amendments regarding that bill. Requests for amendments shall be sent to OLS at least 72 hours prior to the date of the executive session, weekends and holidays excluded. All amendment requests must be germane to the bill to which it is proposed. The Director of OLS shall determine whether a proposed amendment is germane or not germane to the bill to which it is proposed. The decision of the Director of OLS regarding germaneness may be appealed to the Speaker.

I, like all of you, want to make sure we can continue to do the work we were elected to do in a way that ensures everyone's safety and we feel like we have finally landed on a solution.

I want to thank you all for your patience as we worked through this complicated process and thank you all for your hard work over these past few weeks.

Stephen J. Shurtleff, Speaker of the House
